HISTORY OF THE COLLEGE

The Ivy Christian College was founded by Jane Choi under the leadership of Dr. David Y. Pak, March, 2006 for the purpose of training qualified ministers wholly committed to the Word of God. The hope of the College is to launch a true ethnic Christian Theological training college with the aim of reforming Lord Jesus' churches in the USA.

The Ivy Christian College is approved by the State Council of Higher Education for Virginia (SCHEV) as Institution of Religious Exemption for expansion of the Kingdom of God in this world. In May, 2014, the ICC received accreditation from Transnational Association of Christian Colleges and Schools (TRACS), a national accrediting body for Christian institutions.

The ICC is related to the Baptist Churches in America through its church courts. Presently, the ICC is sponsored by and responsible to several Korea Church of the Baptist Churches in America. The ICC also works very closely with the Theological Seminary Program of the Southern Baptist Churches in the USA.

The VA Campus is located in Fairfax, VA. School offices are open from 10:00 A. M., daily Monday through Friday, except on holidays noted in the Academic Calendar. The School telephone numbers are (703) 425-4144 or (703) 425-4145 and The Fax number is (703) 425- 4148.

ACCREDITATION

The Ivy Christian College received accreditation from the Transnational Association of Christian Colleges and Schools (TRACS) [PO Box 328, Forest, VA 24551; Telephone: 434-525-9539; e-mail: info@tracs.org]. TRACS is recognized by the United States Department of Education (USDE), the Council for Higher Education Accreditation (CHEA) and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

DOCTRINAL STATEMENT

The doctrinal position of ICC is historically that of conservative reformed theology, evangelical Christianity. Ivy Christian College rests firmly upon the integrity and inerrancy of the Holy Scriptures and, therefore, wholeheartedly accepts the great Doctrines of the historic Christian faith.

Student Handbook

Traditionally, ICC graduates stand for these great truths, and it is the desire of ICC to continue to provide personnel for service in these ranks. ICC will maintain its theological position. To guarantee that ICC will maintain its theological position, each member of Board of Trustee, Faculty, and Teaching Staff is required initially and annually to engage in and subscribe to the following Statement of Belief and Covenant. Also the Doctrinal Statement, which every board, administration, staff and faculty member must sign, is the following Statement of Belief and Covenant. The Board, Administration, and Faculty believe:

1. The Holy Scriptures

We believe the Holy Scriptures of the Old and New Testaments to be the verbally inspired Word of God, the final authority for faith and life, inerrant in every matter in the original writing, infallible and God-breathed (2 Timothy 3:16-17).

2. The Godhead

We believe in one Triune God, eternally existing in three persons- Father, Son, and Holy Spirit- co-eternal in being, co-identical in nature, co-equal in power and glory, and having the same attributes and perfections (Deuteronomy 6:4; 2 Corinthians 13: 14).

3. The Person and Work of Christ

We believe that the Lord Jesus Christ, eternally God, became man, without ceasing to be God, having been conceived by the Holy Spirit and born of the Virgin Mary , in order that He might reveal God and redeem sinful men (Luke 1:35; John 1:1,2, 14).

We believe that the Lord Jesus Christ accomplished our redemption through His death on the cross as a representative, vicarious, substitution sacrifice; and that our justification is made sure by His literal, physical resurrection from the dead (Romans 3:24-25; Ephesians 1:7; 1 Peter 1:3-5; 2:24).

We believe that the Lord Jesus Christ ascended to heaven, and is now exalted at the right hand of God, where, as our High Priest, He fulfills the ministry of Representative, Intercessor, and Advocate (Acts 1: 9-11; Romans 8:34; Hebrews 7:25; 9:24; 1 John 2:1-2).

4. The Person and Work of the Holy Spirit

We believe that the Holy Spirit is a person who convicts the world of sin, of righteousness, and of judgment; revealing Christ to men and enabling them to believe; and, that He is the supernatural agent in regeneration, baptizing all believers into the body of Christ, indwelling and sealing them unto the day of redemption (John 16:8-11; Romans 8:9; 1 Corinthians 12:12-14; 2 Corinthians 3:6; Ephesians 1:13-14).

Student Handbook

We believe that He guides believers into all truth, anoints and teaches them, and that it is the privilege and duty of all the saved to be filled with the Spirit (John 16:13; Ephesians 5:18; 1 John 2:20, 27).

5. The Creation and Man

We believe that the book of Genesis presents a historically accurate account of the origin of man, the fall of Adam and Eve, and consequently the entire human race, the worldwide flood, the call of Abraham, and the origin of God's chosen people, Israel. Included in this is our belief that special creation of the existing universe, consisting of time, space, and matter, was accomplished in six literal, twenty-four hour days, as detailed in Genesis chapter one.

We believe that man was created in the image and likeness of God, but that when man sinned the human race fell and became alienated from God. Man, thus, is totally depraved and of himself, utterly unable to remedy his lost condition. (Genesis 1:26-27; 5:2; Psalm 51; Romans 3:22-23; 5:12; Ephesians 2: 1-3, 12).

6. Salvation

We believe that salvation is the gift of God brought to man by grace and received by personal and purposeful faith in the death and resurrection of the Lord Jesus Christ, whose precious blood was shed on Calvary for the forgiveness of sins (1 Corinthians 15:1-5; Ephesians 1:7; 2:8-10; 1 Peter 1:18-19).

We believe that while the death and resurrection of Christ is sufficient provision for the salvation of all men, only those who exercise saving faith will have forgiveness of sin and receive eternal life. Those who so exercise faith are then regenerated, baptized by the Holy Spirit into Christ, and granted every spiritual blessing in Christ (Romans 6:3-4; 1 Corinthians 12:13; Ephesians 1:3-4; 2:8-9; Philippians 2:13; Titus 3:5; 1 John 2:2).

7. The Eternal Security and Assurance of Believers

We believe that all the justified, once saved, are kept by God's power and are thus secure in Christ forever (John 6:37-40; 10:27-30; Romans 8: 1, 38; 1 Corinthians 1 :4-8; 1 Peter 1 :5).

We believe that it is the privilege of believers to rejoice in the assurance of their salvation through the testimony of God's Word; which, however, clearly forbids the use of Christian liberty as an occasion to the flesh (Romans 13: 13-14; Galatians 5: 13; Titus 2: 11-15; 1 John 5: 10-13).

8. The Two Natures of the Believer

We believe that the regenerated person retains his corrupt, sinful, depraved nature, but at the

Student Handbook

moment of salvation also becomes a partaker of the divine nature, capable of pleasing God through the ministries of the indwelling Holy Spirit (Romans 6:13; 8:12-13; Galatians 5:16-25; Ephesians 4:22-24; Colossians 3:9-10; 1 Peter 1:14-16; 1 John 3:5-9).

9. Separation

We believe that all the saved should live in such a manner as not to bring reproach upon their Savior and Lord; and, that separation from all religious apostasy, all worldly and sinful pleasures, practices and associations is commanded by God (Romans 12: 1-2, 14: 13; 2 Corinthians 6:14-7:1; 2 Timothy 3:1-5; 1 John 2:15-17; 2 John 9-11).

10. Missions

We believe that it is the obligation of the saved to witness by life and by word to the truths of Holy Scripture and to seek to proclaim the Gospel to all mankind (Matthew 28: 19-20; Mark 16: 15; Acts 1 :8; 2 Corinthians 5:19-20).

11. Ministry and Spiritual Gifts

We believe that God is sovereign in the bestowing of all His gifts; that the gifts of evangelist and pastor-teacher are given to the church for the equipping of the saints today; that each believer has a spiritual gift for the purpose of ministry to others, such as the gifts of ministry, helps, leadership, administration, exhortation, giving, mercy, and teaching; that the gifts of prophecy, speaking in tongues, and the working of sign miracles ceased as the New Testament Scriptures were completed and their authority became established (Romans 12:6-8; 1 Corinthians 12:4-11; 2 Corinthians 12:12; Ephesians 4:7-12; 1 Peter 4:10).

We believe that God does hear and answer the prayer of faith, in accord with His own will, for the sick and afflicted (John 15:7; James 5: 14-15; 1 John 5: 14-15).

We believe in the autonomy of the local church (Acts 13: 1-4; 20:28; Romans 16:1;1 Corinthians 3:9, 16; 5:4-7; 1 Peter 5:1-4).

We recognize the ordinances of water baptism and the Lord's Supper as a scriptural means of testimony for the church today (Matthew 28: 19-20; Acts 2:41-42; 18:8; 1 Corinthians 11:23-26).

12. The Personality of Satan

We believe that Satan is a person, the author of sin and cause of the fall; that he is the open and declared enemy of God and man; and, that he shall be eternally punished in the lake of fire (Job 1 :6-7; Isaiah 14:12-17; Matthew 4:2-11; Revelation 20:11).

13. The Second Advent of Christ

Student Handbook

We believe in that "blessed hope," the personal, imminent, pre-tribulation and premillennial coming of the Lord Jesus Christ for the church; and in His subsequent return to earth, with His saints, to establish His Millennial Kingdom, which will begin only after the second advent (Zechariah 14:4-11; 1 Thessalonians 1: 10; 4: 13-18; 5:9; Revelation 3: 10; 19:11-16; 20:1-6).

14. The Eternal State

We believe in the bodily resurrection of all men, the saved to eternal life, and the unsaved to judgment and everlasting punishment {Matthew 25:46; John 5:28-29; 11:25-26; Revelation 20:5-6; 22:12).

We believe that the souls of the justified are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection, when soul and body are reunited to be glorified forever with the Lord {Luke 23:43; 2 Corinthians 5:8; Philippians 1:23; 3:32; 1 Thessalonians 4:16-17; Revelation 20:4-6). We believe that the souls of unbelievers remain, after death, in conscious misery until the second resurrection, when with soul and body reunited they shall appear at the Great White Throne Judgment, and shall be cast into the lake of fire, not to be annihilated, but to suffer everlasting conscious punishment (Matthew 25:41-46; Mark 9:43-48; Luke 16:19-26; 2 Thessalonians 1: 7-9; Jude 6- 7; Revelation 20: 11-15).

MISSION STATEMENT

Ivy Christian College exists to provide trained personnel for the global proclamation of the Gospel and for serving in leadership roles in Bible believing churches

ICC seeks to fulfill its purpose by providing a variety of lifelong learning opportunities for individuals and churches, including adult continuing education classes, seminars, publications and media resources, as well as by providing theological leadership for the Christian community and world for glory of triune God.

In fulfilling this purpose, ICC seeks to develop the following competencies in its graduates. We believe that each of these competencies is intimately and necessarily related to others. Effective ministry requires spiritually sensitive application and integration of all of these competencies.

PHILOSOPHY OF EDUCATION

1. The ICC is a Bible College; the Bible is the heart of the curriculum, in contrast to a program that is essentially philosophical or sociological. The absolute inerrancy and authority of the Scripture are paramount. Because we emphasize the primacy of the Word of God, we believe that the tools of exegesis are essential in preparing students for the ministry, so that they may become capable expositors of the Word of God.

Student Handbook

2. The doctrinal distinctive of the ICC (see Doctrinal Position), rooted in a proper exegesis of the Scripture, are regarded as “absolutes”, and they are to be upheld as such by the faculty and communicated clearly to each student.
3. We are aware that teaching sound doctrine alone is not enough. This doctrine must be translated into practical Christian service. Therefore, our faculty must not only be highly qualified in academics and instructional methodologies, but they also must be excellent spiritual and moral examples.

Recognizing the limitations of a primarily academic setting, we seek to instill within the student a deep love for God and His Word, a heart for evangelism and missions, and the integration of biblical teaching and values into every aspect of life. We also believe that it is imperative for students to be involved in practical “hands-on” ministry and mission to complement their College studies.

4. A primary goal of ICC is to provide quality collegiate education. The ICC is a Christian academic community in the tradition of evangelical institutions of higher education. As such, ICC continues the philosophy of education which first gave rise to the College, summarized in the following proposition:

God, the infinite source of all things, has shown us truth through Christ in nature, history, and, above all, in Scripture. Persons are spiritual, rational, moral, social and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe and God.

Education as the process of teaching and learning, involves the whole person, developing the knowledge, values, and skills which enable the individual to change freely.

DISTINCTIVES OF ‘ICC’

Bible and the Confessional Standards of the church, the ICC is dedicated to the following distinctive principles:

1. Belief in the plenary verbal inspiration of Scripture resulting in an inerrant Word as it was originally given by God, and, therefore, the only infallible rule of faith and practice.
2. As a college that takes God’s Word seriously, the ICC is committed to the training of men and women in the original languages of Scripture, so that they can read the original

Student Handbook

text of the Word. Along with this emphasis attention is given to the study of Textual Criticism, so that the student can learn to make sound judgments about the original text of the Word. The ICC is also committed to instruction in the proper rules of biblical interpretation.

3. Belief that the biblical form of Church government is the Baptist form, which is essential to the well-being of the Church, though not necessary to its being. Belief in the Great Commission as the one and only mission of the Church. The Christian individually and in association with others, has obligations to function in all spheres of life by developing and practicing the full implications of the Christian world and life view in every human relationship and in all aspects of life and society under the Lordship of Christ.

The Church, on the other hand, should not presume to enter into spheres of activity where it has neither calling nor competence. Christ gave but one Great Commission to the Church, namely to evangelize the world and to teach all things that He has taught us.

4. Belief in Dynamic Spiritual Emphasis as a student must be walking in fellowship with God (the Holy Spirit) so that he or she can be taught by the Holy Spirit. The cultivation of the spiritual life is inseparably fused with the scholarly study of biblical and related subjects, thus providing an unusual classroom climate and a distinct theological education. All this is designed to prepare students to communicate the Word of God in the power of the Holy Spirit.
5. Belief in a Strong Commitment to Missions; ICC is firmly committed to promoting the missionary enterprise throughout the world. This Commitment is demonstrated in a variety of ways that provide exposure for students to the diverse nature of missions and the unique opportunities for career service in missions.
6. Emphasis on the practical as well as the theological aspects of ministry. The ICC believes that learning “how” to minister is as important as learning “what” to minister, and therefore trains as well as instructs.

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, [even] unto the end of the world. Amen” (Mat.28: 19-20).

INSTITUTIONAL GOALS OF THE COLLEGE

Based on its Mission Statement, Ivy Christian College will endeavor:

1. To instruct students in biblical knowledge based on the authoritative, inerrant Word of God.
2. To help students integrate biblical principles into the personal, social and professional areas of their lives.
3. To train students to communicate effectively to impact their world.
4. To stimulate within students a spirit of inquiry, investigation and critical thinking so as to equip them to be lifelong learners.
5. To equip students for various kinds of service in the context of the local church and other Christian ministries.
6. To challenge all students at the college to understand and believe the gospel of Jesus Christ.

EDUCATIONAL OUTCOMES FOR THE STUDENTS

Each graduate of Ivy Christian College will be able to:

1. Demonstrate a sound knowledge of the Scriptures, as evidenced by successful completion of the coursework within the program and improved scores on a standardized Bible test.
2. Define and systematically summarize one's theological understanding as evidenced by a comprehensive, personal statement of faith.
3. Present a reasoned defense of one's beliefs that is intellectually and rationally sound.
4. Apply biblical principles in his lifestyle and ministry internship.
5. Communicate effectively the Gospel through sermons, Bible studies, and/or witnessing, in the context of his gifts and calling, whether at home or on the mission field.

Student Handbook

CODE OF CONDUCT

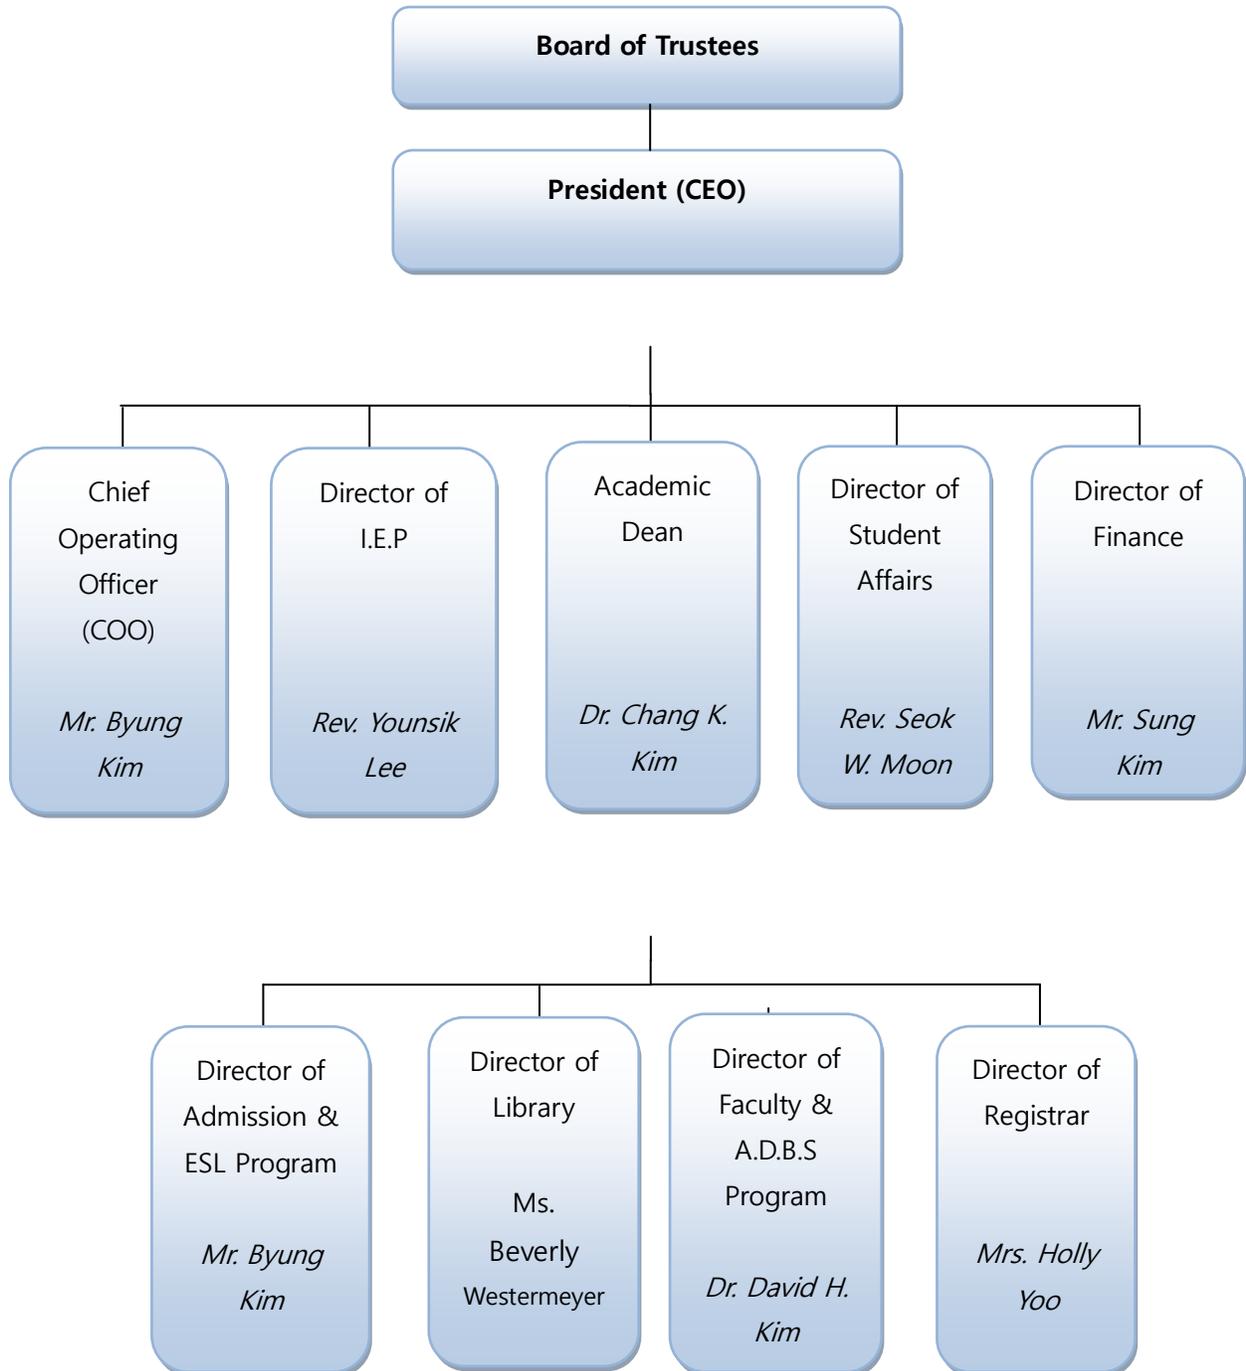

Traditionally, a code of conduct is a list of rules with consequences. The Board has stated the code of conduct of ICC in a way that reflects the grace of God. It is included in official publications. Trustees, administrators, faculty, staff, and students must agree to abide by the code and so state in writing. Ivy Christian College affirms that:

1. Each Christian is to be Christ like in attitude and action. This is neither automatic nor instantaneous, but a growth process. This Christ likeness does not come by observing certain outward expectations, but comes from within as the indwelling Spirit of God energizes the believer submitted to God (Romans 12:12; Philippians 2:12-13). As believers walk in fellowship with the Lord, being controlled and enabled by the Holy Spirit, they are changed to be more and more like Him (2 Corinthians 3:18; Philippians 2: 12-13, 1 John 1:47).
2. Believers are to glorify God in their bodies and are to live holy lives (1Corinthians 6:19-20; 1 Peter 1:13-16). Love toward God is evidenced by love for those without Christ (note Paul's example in 2 Corinthians 5:14 and Acts 18:5) and by love for fellow believers (1 John 3:16; 4:78).
3. Living by God's grace, believers are to avoid even the appearance (every form) of wrongdoing (1 Thessalonians 5:22). Believers are called to freedom, but this is not to be an opportunity for the works of the flesh (Galatians 5:13).
4. Individuals who, after spiritual instruction (Galatians 6:1), continue to dishonor the Lord by persisting in un-Christ like behavior or unruly conduct may, after due process, be dismissed from ICC (1 Thessalonians 5:14).

FACULTY OF 'ICC'

The faculty of ICC must not only be highly qualified in academics and instructional methodologies, but they also must be excellent spiritual and moral examples for students for the glory of God. Every board, administrator, staff and faculty member must sign the Statement of Belief and Covenant or Doctrinal Position, Philosophy of Education, and distinctive principles of ICC.

Our faculty rest firmly upon the integrity and inerrancy of the Holy Scriptures and, therefore, wholeheartedly accepts the great basic doctrines of the historic Protestant Christian faith and the Westminster Confession.

Therefore, all faculty of the ICC will maintain its theological position. In addition to the General Regulation of the College, our teachers must have at least a master's degree in Theology, Divinity or a major related field and/or a doctoral degree in Theology or Ministry.

FACILITIES OF THE COLLEGE

The Ivy Christian College campus is located at 9401 Mathy Dr. in Fairfax, Virginia 22031. Classrooms, offices, computer laboratory, auditorium, and library are housed in a modern building of approximately 6,000 square feet. The Ivy Christian College is close to the Washington DC, Fairfax, and 495 freeways, for the easy access from all the cardinal points.

Classrooms are spacious, carpeted and air-conditioned for the students comfort. The building, equipment, and other learning resources being used for instructional purposes comply fully with all applicable federal and state regulations and local ordinances for safety and public health.

POLICIES, PROCEDURES

1. LIFE STYLE EXPECTATIONS

Members of Ivy Christian College are expected to demonstrate a positive and growing commitment to Jesus Christ as Lord by continued study and obedience to the Scripture in all areas of life. A regular experience of forgiveness and renewal, surrender to God the Holy Spirit,

Student Handbook

demonstration of Christian love and service to others, concern for evangelism and world missions, honesty, personal integrity, recognition of the rights of others, defense and advocacy of justice, response to the needs of the poor and oppressed, and emphasis upon glorifying God, in all thought and action, are examples of behaviors which are endorsed and encouraged.

Certain practices are forbidden in Scripture and are not condoned in the lives of members of Ivy Christian College community. Sexual relationship outside of marriage, homosexuality, drunkenness, theft, dishonesty, and disobedience to the state (except in those rare instances that violate a biblically informed conscience) are example of practices which are unacceptable.

Other aspects of community life include a commitment to the pursuit of excellence, forbearance for one another, recognition of the Lord's Day as a day of worship and rest, a growing awareness and reflection of Christ in daily life, and a dedication to the concerns that motivated His life on earth.

We believe that a decision to become a part of Ivy Christian College implies a willing commitment to live in accordance with the teaching of the Bible, as well as a willing acceptance of the responsibilities and conditions of membership. It is our hope that those led by the Lord to become a part of the distinctive Ivy Christian College community and have already adopted a Christ-lifestyle.

2. DRUG FREE WORKPLACE POLICY

Ivy Christian College has a policy of maintaining a Drug-free Workplace. All employees and students are hereby notified that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in this institutions workplace. The workplace is defined as any classrooms, hallways, restrooms, parking, or storage areas that are connected to the main campus at 9401 Mathy Dr. Fairfax, VA. 22031, or any location outside of the main campus where Ivy Christian College programs or courses are discussed or promoted. 3. CRIMINAL SANCTIONS - ALCOHOL

The Ivy Christian College is a Christian school of diverse individuals who have come together for the purpose of education and glory of triune God. As with any community, the College must establish guidelines for behavior which will produce the type of environment necessary to best achieve its mission.

ICC reserves the right to develop and implement new rules, guidelines and student standards of conduct not presently included in this document. It is the responsibility of the College to make a reasonable attempt to inform the student body of any change in or addition to the current policies and regulations.

Students are also expected to comply with College policies as these policies pertain to student conduct. Students who violate state laws, county laws, or city ordinances are subject to prosecution and also College disciplinary action.

1) ICC Regulation of Alcohol.

“And do not drunk with wine, in which is dissipation; but be filled with the Spirit” (Eph. 5:18). In keeping with the goal of a drug-free campus, possession or consumption of alcohol anywhere on the ICC campus, including dormitory rooms, is not permitted. The Ivy Christian College prohibits the possession or use of alcoholic beverages on campus or at functions elsewhere held by the ICC or its organizations.

Public display, drunkenness, and misconduct are violations of the ICC conduct rules and those violating these rules will be disciplined in accordance with the seriousness of the violation. The ICC prohibits the possession, use or distribution of illegal drugs. Anyone apprehended using or selling on campus will be subject to immediate dismissal.

The ICC reserves the right to conduct an inspection of any classroom or automobile when it has good reason to believe that ICC regulations are being violated. The ICC also must reserve the right to request at any time the withdrawal of a student who cannot make the required progress toward graduation or whose conduct is detrimental his or her health or whose conduct is not satisfactory to its officials. A student may be asked to withdraw because of unsatisfactory conduct in the absence of any specific charge.

2) Virginia’s Alcohol Beverage Control Act

Student Handbook

Virginia's Alcohol Beverage Control Act contains a variety of laws governing the possession, use and consumption of alcoholic beverages. The act applies to the students and employees of this institution. As required by the Federal Drug-Free Schools and Communities Act of 1989, the pertinent laws, including sanctions for their violation, are summarized below:

It is unlawful for any person under age 21 to purchase or possess any alcoholic beverage. Violation of the law exposes the violator to a misdemeanor conviction for which the punishment is either confinement in jail for up to 12 months, a fine up to \$2,500 or both. Additionally, such person's Virginia driver's license may be suspended for a period of not more than one year.

It is unlawful for any person to sell alcoholic beverages to persons under the age of 21. Violation of the law exposes the violator to a misdemeanor conviction for which the punishment is either confinement in jail for up to 12 months, a fine up to \$2,500 or both.

It is unlawful for any person to purchase alcoholic beverages for another when, at the time of the purchase, he knows or has reason to know that the person for whom the alcohol is being purchased is under the legal drinking age. The criminal sanction for violation of the law is the same as item 2 above.

It is unlawful for any person to consume alcoholic beverages in unlicensed public places. Violation of the law, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is a fine up to \$250.

4. HEALTH RISKS

The illegal use of controlled substances has substantial and detrimental effect on the health and general welfare of American People. More than 25,000 people die each year from drug related accidents or health problems. With most drugs, it is probable that users will develop psychological and physical dependence. The health risks associated with the unlawful use of controlled substances depend on the combination used and the individual using them. The following are general categories of drugs and their effects:

1) **Alcohol** - Short-term effects include behavioral changes, impairment of judgment and coordination, greater likelihood of aggressive acts, respiratory depression, irreversible physical and mental abnormalities in newborns (fetal alcohol syndrome) and death. Long-term effects of alcohol abuse include damage to the liver, heart and brain, ulcers, gastritis, malnutrition, delirium, tremors and cancer. Alcohol combined with other barbiturates/depressants can prove to be a deadly mixture.

Student Handbook

2) **Amphetamines/Stimulants:**(speed, uppers, crank, caffeine, etc.) - Amphetamines speed up the nervous system which can cause increased heart and breathing rates, higher blood pressure, decreased appetite, headaches, blurred vision, dizziness, sleepiness, and death due to a stroke or heart failure.

3) **Anabolic Steroids** - Steroids affect the liver, cardiovascular, and reproductive systems. They can cause sterility in males and females, as well as impotency in males.

4) **Barbiturates/Depressants:** (downers, Quaaludes, valium, etc.) - Depressants slow down the central nervous system which can cause decreased heart and breathing rates, lower blood pressure, slowed reactions, confusion, distortion of reality, convulsions, respiratory depression, coma and death. Depressants combined with alcohol can be lethal.

5)**Cocaine/Crack** - Cocaine stimulates the central nervous system and is extremely addictive, both psychologically and physically. Effects include dilated pupils, increased heart rate, and elevated blood pressure, and insomnia, loss of appetite, hallucinations, paranoia, seizures, and death due to cardiac arrest or respiratory failure.

6) **Hallucinogens:** (PCP, angel dust, LSD, etc.) - Hallucinogens interrupt the functions of the part of the brain which controls the intellect and instincts. May be included speech, depression, anxiety, violent behavior, paranoia, hallucinations, increased heart rate and blood pressure, convulsions, coma, and heart and lung failure.

7) **Cannabis:** (marijuana, hashish, hashes, etc.) - Cannabis impairs short-term memory, comprehension, concentration, coordination, motivation and may also cause paranoia and psychosis. Marijuana smoke contains more cancer causing agents than tobacco smoke.

8)**Narcotics:** (smack, horse, Demerol, Precedent, etc.) - Narcotics initially produce feelings of euphoria often followed by drowsiness, nausea, and vomiting. An overdose may result in convulsions, coma, and death. Tolerance develops rapidly and dependence is likely. Using contaminated syringes while injecting such drugs may result in a higher risk of exposure to AIDS.

9)**Tobacco/Nicotine** - Nearly one in every five deaths in the United States is a result of smoking, making tobacco use the leading preventable cause of death. More than 440,000 deaths in the United States each year are attributed to tobacco use, resulting in more than 6 million years of potential life lost each year. Smoking during pregnancy causes more than 1,000 infant deaths per year.

The Ivy Christian College is committed to principles that enable educational and professional enhancement of all ethnic and racial groups. The College seeks to emphasize the importance of community awareness and appreciation of diverse cultures within the United States of America and the world.

The present and future course of the Ivy Christian College are designed to eliminate all policies and practices that work to the disadvantage of individuals on the basis of race, and to work diligently to eliminate all forms of discrimination including institutional and personal patterns that directly and in-directly feed the destructive forces of racism.

16. ACADEMIC FREEDOM

In institution of higher education, like Ivy Christian College, the principle of Academic Freedom is essential (distinctive) to the search for truth and its exposition. Freedom in research is fundamental to the advancement of knowledge and the right to Academic Freedom in its teaching aspect is fundamental for the protection of the rights of the faculty and of the students in the educational process.

These concepts of Academic Freedom are promoted at Ivy Christian College and they are elaborated as follows:

- Faculty (Professor) of ICC is entitled to full freedom in research and in publication of the results; subject to the adequate performance of Faculty's other academic duties. The faculty member may take on additional employment, including research for pecuniary return, without the approval of the College's officer or President of the College, provided it does not interfere with his/her duties at the College. Faculty (Professor) of ICC is entitled to freedom in the classroom to discuss their subject, but should exercise this freedom in a responsible manner
- Faculty (Professor) members of ICC may exercise their rights as citizens when speaking or writing as citizens and should be free from institutional censorship or discipline, but the faculty member's special position in the community imposes special obligations. As a member of the teaching profession, and as a representative of an educational institution, the faculty member should remember that the public may judge his/her profession and his/her institution by his/her utterances. Hence, the faculty member should at all times be accurate; should exercise appropriate restraint; should show respect for the opinion of others; and should make every effort to indicate that (s) he is not speaking for the ICC.
- Any faculty member who believes that his/her rights have been abridged or ignored by an administrative officer or employees of Ivy Christian College and who is unable to obtain redress which is satisfactory to the faculty member within his/her own department, shall have the right to appeal to the President of the College.

17. NONDISCRIMINATION ON THE BASIS OF DISABILITY

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 prohibit discrimination on the basis of a disability and provide for equal access to employment

Student Handbook

opportunities, admissions, educational programs and all other College sponsored programs and services. The Ivy Christian College is committed to achieving equal educational and employment opportunity and full participation for persons with disabilities. It is the College's policy that no qualified person shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination with regard to the programs, activities, or services provided by the College.

Student requests for accommodations are handled by the Office of Disability Services. A student is responsible for informing the Office of Disability Services of the need for accommodation. The student is also responsible for documenting the disability and for cooperating with the College in attempting to identify effective and reasonable accommodations.

ATTENDANCE POLICY OF STUDENT

It is the privilege of ICC to provide quality instruction in an environment where learning can flourish. In order to receive maximum benefit from the instructional program, students are expected to attend school regularly and be punctual each day and each class time of lecture for best learning. It is understood that good attendance positively impacts the learning process.

Good school attendance is so very important. School attendance very closely correlates with academic performance in schools; therefore, enforcing compulsory school attendance is everyone's job both law enforcement and schools. We, as attendance workers must work hand in hand with law enforcement to keep students in school. If allowed to continue violating school attendance law, student will sooner or later become a dropout statistic. Every student deserves an education, and we must see that they attend school to get an appropriate education. School attendance workers have an important part in building our future.

1. CLASS ATTENDANCE:

Regular and punctual attendance in classes is expected of all students at ICC. Each faculty member is to state in writing to all students in a class the attendance policy for that class. The faculty member is the judge of whether the student has met the stated attendance requirements of the course. Class attendance is considered essential to the educational process. The ICC subscribes to the philosophy that academic success is directly proportional to class attendance.

It is important that students regularly and punctually attend all class sessions. Attendance will be recorded from the first day the class meets through the final exam.

- 1) The professor must receive the names of students from the office of ICC.
- 2) The professor must call attendance from those who have registered for every class.

Student Handbook

- 3) The professor must verify the student through their ID and attendance record the first day.
- 4) The professor must announce the class policy to their students for the attendance of class.
- 5) The professor will report to the school office on those students who have missed two or more classes.

Recognizing that situations may arise to prevent a student from attending a class, the ICC will accommodate occasional absences but recommends that students who attend less than 80% of the scheduled class meetings submit a withdrawal request to the ICC Office according to the Withdrawal Procedures described in the ICC Catalog and Faculty Handbook.

Regular attendance and participation in schooling is an important factor in educational and life success. Students who are regular non-attendeers are at risk of alienation from education that can lead to decreased options for future pathways.

All absences are unexcused except those caused by illness of the student, quarantine, death in the immediate family, recovery from an accident, required court attendance, educational tours and trips, and certain religious holidays. If a student is absent from school, his/her family should call the School office at (703) 425-4144, report the absence. It does not alleviate your responsibility to provide a written excuse, as directed in this policy. A student shall not be absent from school or from any other required school hours except for illness or other providential cause, unless with written permission of the teacher, or other duly authorized school official.

2. ILLEGAL EXCUSE:

A student, who is absent from school without legal excuse, will be marked as being unexcused for the period of each absence. Students will be notified of their responsibility for their unexcused absences by the proper school authority; (a) the office of ICC will also send a notice by mail to the students who have accumulated three absences from the class of school, informing them of the attendance policy and inviting them to contact the ICC Office to discuss the matter. (b) An unexcused absence occurs when the student does not provide, within two (2) days after an absence, an explanatory note signed by the student or visitation by a physician, which satisfies the criteria for excused absence. After three (3) days unexcused absences from school or the class, an official notice of unexcused absence will be sent to the student. The notice will list the dates of unexcused absences and notify students that any further illegal absence constitutes a summary offense under the School Code.

3. EXCUSED ABSENCE:

Excused absences may be granted for: illness, quarantine, death in the immediate family,

Student Handbook

impassable roads, school-sanctioned educational trips, family trips, religious holidays, and exceptionally urgent reasons which affect the student and which do not include work at home. Absences for other reasons will be considered unexcused. For an absence to be excused, the student must send a note to the office of ICC within two (2) days after each absence or the day of absence. Instructor (Professor) s may advise any student with excessive absences to withdraw from the course involved to protect the academic standing of the student. It is the student's responsibility to monitor absences and to comply with the instructor's syllabus concerning make up work. Failure to complete make up assignments or to withdraw when it is clear that the student cannot achieve an acceptable grade in the class may result in a low grade, including possibly an F based on grade performance in the course. Grades will not be raised or lowered based directly on attendance.

4. EARLY EXCUSE:

Students are not permitted to leave the school campus at any time during the school day without permission from the principal or Academic Dean. If student wish to be excused early during the school day, student must present a note to the Academic Dean of ICC. The note should indict (1) the date and time of dismissal; (2) appropriate reason of absence; (3) signature of the student.

The secretary of ICC will issue an "early dismissal" slip to the student, which student must present to the teacher (for his/her signature) at the time of departure of the student. If student return to ICC on the same day, student are to report to the office or Academic Dean before going to class.

5. APPEALS PROCESS:

If a student disagrees with the assignment of an unexcused absence, a tardy or denial of permission to make up missed work, an appeal may be made to the appropriate chief instructional officer or his designee. The appeal must be submitted in writing within one week of the incident.

6. ASSIGNMENTS:

Students are expected to spend two-three hours outside of class reading and/or studying the material or working problems for every hour spent in class. Students are required to read the chapters listed on the Assignment Outline. Lectures and class discussion will follow and supplement the text. Students should read the assignments before class, take notes during class, and follow up by reviewing and/or working related problems immediately after class. Many classes meet every other day and some students make the mistake of thinking that they should study for that class every other day. Best results are realized when students study each class every day.

Student Handbook

The student alone assumes responsibility for all absences. A student who presents the instructor with an adequate and documented reason for an absence normally will be given an opportunity to make up the work missed. The responsibility for initiating the request to make up class work missed is vested in the student.

EMERGENCY AND CRISIS PROCEDURES

ICC posted emergency map and emergency instructions each class rooms and each floor.

In case of Fire, Bomb Threats, all students and faculty must get out of the Building.

Detail emergency procedure is noticed at Student Orientation.

Ivy Christian College is concerned about the health, safety, and well-being of all students, faculty members, and staff. Administration office and AD Faculty office provide First aid. Emergency procedure instructions are available at all locations where classes are taught. The College also provides insurance through insurance company that covers liability throughout the facilities for bodily injury and property loss related to classroom activities. Student health insurance would be helpful for many, and ICC has made plans to help uninsured student's secure basic insurance.

1. EMERGENCY OF BOMB THREATS

In the interest of protecting students, faculty, administrators and staff the following procedures shall be followed for all telephone or written bomb threats:

- 1) The individual receiving the call shall record in writing as much of the substance of the call as possible, noting the times of the call and the stated time and location at which a bomb is set to detonate. The called should be encouraged to give as much information as possible. An effort should be to keep the caller on the line. If a second employee is available an immediate call should be made to 911 Emergency Telephone Number or to the Police department. If a written threat is received, steps 2 through 4 below shall he followed.

- 2) The office of the President shall be notified immediately of the bomb threat. If the President is not available, the next ranking administrator shall be notified, i.e., the Academic Dean, the Administrative Dean. The Director of Administration shall also be notified as soon as possible.

2) NON-EMERGENCY PROCEDURES

If you are not in immediate physical danger, but you have experienced or witnessed harassment (also see separate Sexual Harassment policy and procedures) or intimidation:

a. Report instances of intimidation or concerns about workplace violence to your direct supervisor. Determine with your supervisor if the issue can be resolved at this level. If your direct supervisor is the person with whom you are experiencing the conflict, report the incident to that person's direct supervisor. If that person is also involved in the conflict, you may report the concern to the ICC Investigation Officer (IO).

b. If the conflict cannot be resolved with your direct supervisor, file a formal written complaint with the ICC Investigation Officer (appointed by the President). The complaint should describe the alleged violation, the person(s) against whom the complaint is being filed, and dates of the action(s) as well as the remedy or relief sought.

c. Upon receipt of the written complaint, the IO will review and discuss the complaint with all parties directly involved. On the basis of the written complaint and discussion(s) the IO will determine what further investigative action is required.

Supervisors, the IO and other necessary administrators are directed to limit disclosure of information to only those persons who, in their discretion, are required to be made aware of a complaint made under this policy. Investigations under this policy are to be made with the least amount of disclosure needed to effectively carry out the investigation. Further, the final report of the IO and all discussions concerning a resolution of a complaint will be kept confidential and released to only those persons who are required to have knowledge. COLLEGE AND STUDENT RIGHTS

As students transition into the world of higher education, you are presented with many challenges. Issues of freedom, choice, rights, and responsibilities are paramount during this stage. Because of this and current national events, increasing attention has been devoted to clarifying the role and duties of an institution of higher education regarding its students.

While Ivy Christian College strives to offer an excellent educational experience to our students, everyone needs to be very aware of the limitations the law and reality impose on the manner in which we operate as an institution of higher education. We have become even more mindful of the need to clearly define our obligations regarding the scope of care we are able to deliver within this environment while respecting and protecting your rights and responsibilities to manage your own affairs.

Because Ivy Christian College is an institution of higher education, you should know that it is not subject to all of the laws and regulations that apply to students in elementary, middle and high schools. For example, those schools are generally responsible for the welfare of the students entrusted to their care, and are typically obligated to provide services and plans that address their students' medical needs.

Student Handbook

That matrix of rights and responsibilities does not exist in a College, where the students are considered adults with their own rights of privacy and autonomy, are legally responsible for their own actions, and where individuality and differences are respected and encouraged. The principles of “in loco parentis” (in the place of the parents”) do not apply in the College environment and ICC does not assume parental responsibilities, rights or control over its students. Instead, the obligations ICC honors are those that apply to adults in general and those that are otherwise required by law.

This difference between high school and college is easy to see in many respects. Universities are not generally obligated to provide medical care or medical assistance to students with specific medical conditions, although such services may be offered. Universities are not obligated to create an Individual Education Plan for students with learning disabilities, and there are no statutorily-created appellate rights by which to challenge whether an education is ‘appropriate’. Parents no longer have the same right to access the educational or medical records of their children. Students have academic advisors, each degree program has its own requirements, and reasonable accommodations are made as required by law; but it is each student’s individual responsibility to exercise his or her own initiative to meet with the advisor, choose the courses, request accommodations, seek needed academic services, and satisfy the degree requirements.

The medical information the student shares with his or her health care provider is confidential and protected by federal and state privacy laws. With limited exceptions, such information is not generally known to the College. Other federal privacy laws, such as the Family Education Rights and Privacy Act, may also restrict the College from sharing information about a student with parents, spouses or significant others. Students can grant others access to that information by signing the appropriate form.

In higher education, students are treated as adults. At ICC, vast opportunities and great challenges await our students. The life of our students takes place in a fast-paced and rigorous academic environment, and students are expected to balance the many academic, employment, cultural and social opportunities available to them to get the most out of their college experience. We are delighted that you are interested in coming to ICC and want you to succeed in accomplishing your goals as an ICC student. Your success will depend upon how well you assume your responsibility to get the most out of your higher education experience.

4) All students of ICC have other responsibilities and rights based on the nature of the educational process and requirements of the search for truth and its free presentation. These rights and responsibilities include the following:

- Each student has the freedom, dependent on level of competence to teach, learn and conduct research and publish findings in the spirit of free inquiry.

- Each student of ICC has the right to pursue normal curricular and co-curricular activities, including freedom of movement.

8) Students of ICC who hold opinions about basic policy matters of direct concern to them have the right to have them heard and considered at appropriate levels of the decision-making process. It should be noted that students who have a continuing association with the institution and who have substantial influence have an especially strong obligation to maintain an environment supportive of the rights of others.

9) The student has the responsibility to act in a manner that is conducive to learning by the student and by other students by: being prepared, prompt, attentive and courteous in all academic settings (including classrooms, laboratories, libraries, advising centers, departmental and faculty offices, etc.) and complying with requests

made by a faculty or staff member in an academic setting.

3. RIGHTS IN VIOLATION PROCEDURES

- 1) All students have the right to fair and equitable procedures which shall determine the validity of charges that they have violated College regulations.
- 2) Students have a right to expect that the procedures shall be structured to facilitate a reliable determination of the truth or falseness of the charges, provide a fundamental fairness to the parties and be effective as an instrument for the maintenance of order.
- 3) Students have the right to know in advance the range of sanctions for violations of College policies. The definition of adequate cause for separation from the College should be clearly formulated and made public.
- 4) Students charged or convicted of violations of a general law may be subject to College sanctions for the same conduct, in accordance with College policies and procedures, when the conduct is in violation of a College rule.
- 5) Ivy Christian College does not represent accusing faculty or staff members or students, but provides a process for fact finding and fair decision making.
- 6) Ivy Christian College reserves the right to hold students accountable for certain types of off-campus behavior.
- 7) Disciplinary action will result if a student's behavior compromises the educational atmosphere or mission of the institution. Examples of such off-campus behavior would include, but not be limited to, crimes of violence, sexual assault and/or alcohol or drug violations, as determined by the Office of Student Affairs.

4. STUDENT RIGHT TO KNOW ACT

1)The law provides students with the right to inspect and review information contained in their education record; to a response to reasonable requests for explanations and interpretations of the record; to challenge the contents of their education record; to have a hearing if the outcome of the challenge is unsatisfactory; and to submit explanatory statements for inclusion in their files if they feel the decision of the hearing officer is unacceptable.

2) The Academic Dean has been assigned by the College to coordinate the inspection and review procedures for student education records, which include admissions,

Student Handbook

personal, academic, and financial files, and academic cooperative education, disclosure and placement records. Students wishing to review their education records must make written request to the official responsible for the records listing the item or items of interest.

3) Records covered by the Act will be made available within forty-five days of the request. Students may have copies made of their records with certain exceptions (e.g., a copy of the academic record for which a financial 'hold' exists, or a transcript of an original or source document which exists elsewhere). Education records do not include records of instructional, administrative and educational personnel which are the sole possession of the maker and are not accessible or revealed to any individual except a temporary substitute, records of the law enforcement unit, student health records, employment records or alumni records. Health records, however, may be reviewed by physicians of the students' choosing.

4) Students may not inspect and review the following: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; educational records containing information about more than one student, in which case the institution will permit access ONLY to that part of the record which pertains to the inquiring student; and confidential letters and recommendations placed in their files prior to January 1, 1975, providing those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

5) Procedures to Amend Records and Request Hearings - Students who believe that their education records contain information that is inaccurate or misleading, or is otherwise in violation of their privacy or other rights, may discuss their problems informally at a meeting with the author of the record and the Academic Dean. If the decisions are in agreement with the student's request, the appropriate records will be amended. If not, the students will be notified within a reasonable period of time that the records will not be amended, and they will be informed by the Academic Dean of their right to a formal hearing. Students' requests for a formal hearing must be made in writing to the Academic Dean who, within a reasonable period of time after receiving such requests, will inform students of the date, place and time of the hearing.

Students may present evidence relevant to the issues raised and may be assisted or presented at the hearings by one or more persons of their choice, including attorneys, at

Student Handbook

the students' expense. The hearing officers who will adjudicate such challenges will be designated by the President of the College.

Decisions of the hearing officer will be final; will be based solely on the evidence presented at the hearing, will consist of written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered to all parties concerned. The education records will be corrected or amended in accordance with the decisions of the hearing officer, if the decisions are in favor of the students. If the decisions are unsatisfactory to the students, the students may place with the education records statements commenting on the information in the records, or statements setting forth any reason for disagreeing with the decisions of the hearing officer. The statements will be placed in the education records, maintained as part of the students' records, and released whenever therecordsin question are disclosed.

Students who believe that their rights have been abridged may file complaints with the Family Educational Rights and Privacy Act office (FERPA), Department of Health, Education, and Welfare, Washington D.C. 20201, concerning alleged failures of the ICC to comply with the Act.

2. ACADEMIC EVALUATION

Students are evaluated at the end of each term, based on the grades received by the deadline noted on the grade sheets. The rules for determining whether a student is in good academic standing are printed in the College catalog.

Review Committees Listings of ICC are generated by the Student Administrative Services Office to show which students are to receive warning letters, to be continued on, placed on, or removed from probation according to the rules governing academic evaluation.

The Ivy Christian College has a committee that reviews these cases, arranges for interviews with students when appropriate, considers petitions for readmission of students who have been dropped, and recommends appropriate action.

3. ACADEMIC STANDING (Satisfactory Academic Progress)

There are three (3) distinct classifications of academic standing reflected on the academic record or transcript. The conditions associated with each of these classifications are described below and are intended to be used to guide the student in his/her academic planning. In particular, a student placed on academic probation must meet with his/her academic advisor to develop an academic strategy for success that will also allow him/her to be removed from academic probation.

1) Good Standing

Good standing status is assigned to the term record of any associate program student with a term and cumulative grade point average (GPA) above the standard of 2.00 at the close of the term.

2) Academic Warning

Student Handbook

Students who fail to maintain a minimum term or cumulative GPA of 2.00 in any term, not including the first quarter or receive an “F” in any course for any term will receive an academic warning. Students on academic warning are encouraged to meet their advisor and plan to have academic support.

3) Academic Probation.

Students will be placed on academic probation for 3 consecutive quarters in maximum when cumulative and term GPA fall below 2.00 or earn an “F” in any course after receiving academic warning. Students on probation must meet with their academic advisor to develop a written academic plan and establish GPA goals using the Veigel GPA calculator. Removal from probationary status requires that the student achieve both a term and cumulative GPA of 2.00 or higher in a subsequent term.

4) Dismissal

a. Cumulative Grade Point Average - An undergraduate student will be dismissed from the College when receiving an “F” in any course while on probation or his/her cumulative or term GPA remains below 2.00 at the end of their probationary period or unless an extended period is approved by his/her Director.

b. Subject to Dismissal - At the end of the probationary period (three consecutive terms or more only with approval), a student is subject to dismissal. The decision to dismiss a student who is subject to dismissal rests with the College or School and entails a thorough review of the student’s academic record, progress and plan. Students whose academic standing is classified as subject to dismissal must meet with their academic advisor to discuss their academic standing, progress and plans.

d. Right to Appeal a Dismissal Decision - A student has the right to appeal a dismissal decision. He/she may do so by submitting a petition to the Office of

Student Handbook

ICC or the Academic Dean. The form must be completed and filed by the student within seven (7) days of having been notified in writing that he or she is being dismissed from the College and in no case later than the first day of classes in the term in which the dismissal is to take effect.

Upon submitting the petition to appeal the dismissal decision, the student will be scheduled to meet with the Academic Standing Committee of his/her college or school in order to discuss his or her academic progress and plan. A final decision regarding the outcome of the student's appeal will be communicated at this meeting.

If a student seeks to be reinstated for the term into which the dismissal is to take effect, he/she must meet with the Academic Standing Committee before the Wednesday of the second week of the term. After that date, appeals will be considered for the subsequent term.

e. Terms of Reinstatement after Dismissal - Reinstatement to the College through the Academic Standing Committee of the ICC is subject to the following conditions:

■ For Full-Time Students

The student is expected to meet the Academic Standard of the College by the time he/she is to graduate, that is, a cumulative GPA of 2.00. The student must enroll in and complete no fewer than twelve (12). During the period of

reinstatement, a student cannot change his/her program of study or status. Inter-college transfer requires that a student is in good standing that is, above a GPA of 2.00 for such transfer to be considered unless the transfer is approved by the Deans/Directors of both units. A student must obtain a minimum term GPA of at least a 2.00 during the readmitted term and may not earn grades of F or INC in any given course during this term. If the student does not meet the GPA standard as established under the conditions of reinstatement (nominally 2.00), he/she will be dismissed from the College.

Student Handbook

■ For Part-Time Students

The student is expected to meet the Academic Standard of the College by the time he/she is to graduate, that is, a cumulative GPA of 2.00. The student can enroll in and complete no more than eleven (11) credits during the readmitted term. The student must obtain a minimum term GPA of at least a 2.00 during the readmitted term and may not earn grades of F or INC in any given course during this term. If the student does not meet the 2.00 GPA standards as established under the conditions of reinstatement, he/she will be dismissed from the College. Failure to meet the above conditions will result in dismissal from the College. Such dismissal is considered final unless overturned by the Dean/Director of the College/School. A final dismissal decision may not be appealed.

f. Final Dismissal - Students (a) who do not appeal the initial dismissal decision, (b) who receive a negative decision from the Academic (Standing) Committee, or (c) who fail to meet the conditions of reinstatement, are severed from the College. Such students may apply to ICC for reinstatement, but must complete twenty-four (24) transferable credits at another institution with a minimum GPA of 2.50 to be considered for reinstatement.

4. ENROLLMENT INFORMATION

Grades and grade points are assigned as following the 4.0 grade point system and requiring a 2.0 (C) average for graduation. Grades and their interpretation are as follows.

Grade Scale	Explanation	Grade Point
A	Superior 90-100	4
B	Excellent 80-89	3
C	Average 70-79	2

	Explanation	Grade Point

Student Handbook

Administrative Grading System		
W	Withdrawal prior to the mid-quarter point	0
AU	Audit	0
I	Incomplete	0
Pass	Achieved the passing score 60	0
Fail	Failed to achieve the passing score 60	0

AU (Audit) - Generally given to audit-status students. No credit is given.

P(Pass): In some courses, a “P” will indicate a satisfactory completion of that course. Numerical equivalents are not being assigned to “Pass/Fail” courses.

I (Incomplete) - An Incomplete grade may be issued by a faculty member in lieu of a final grade when course requirements have not been met by the end of the term. An Incomplete Grade Contract must be completed by the faculty member and signed by the student. Request for an “I” must be made prior to the due date of the work required. The student is responsible for removing an “I” from his record. This work must be completed within six weeks of the end of the term in which the “I” is received. Failure to meet this deadline will automatically result in an “F” for the course.

Withdrawal (W) - A student desiring to withdraw from the A.D program at any time should report that fact in writing to the Academic Dean, so that his records may be completed, and his transcript released. Failure to complete the proper withdrawal form will result in the non-release of the transcript.

Examination - All examinations must be taken at the time scheduled. Exceptions to this rule may be granted by the professor with the approval of the Academic Dean. Requests for such an exception must be submitted in writing prior to the set time

Add - During the pre-enrollment period through the end of the second week of classes for the term, all students, with the exception of 1st term freshmen, may add courses that are free from restrictions/permissions, at the admission office.. Instructor or academic unit approval is conditional on class size limitations. Regardless of when a student adds a course, the student is responsible for meeting all course requirements as mandated by the specific course syllabus.

Drop - Please note that “dropping” a course and “withdrawing” from a course are distinct actions and are governed by different policies. For undergraduate students, courses may only be dropped during the “drop period” lasting from the beginning of the enrollment period through the end of

Student Handbook

the second week of the term. Dropping a course results in the course being removed from the student's academic record without a "W" appearing on the transcript, specifically, neither the course nor the grade of "W" appears on the student's transcript. Freshmen and new first-term transfer students must meet with their academic advisors to drop courses during the first term.

studying in the program. The services include academic advising. Students who are qualified, may receive class/test accommodations

1) Academic Advising

Academic advising is an integral part of each student's educational experience and it takes many forms. Academic advisors provide students with information on academic requirements needed for degree completion, help students plan for future graduate study or a career, and serve as a research person. Academic advising is a shared responsibility between the student and the advisor.

- **Provide information on academic requirements needed for graduation.** Advisors assist students in developing an academic and career plan, monitor students in the major, and discuss how a course of study fits a particular academic or career interest. Advisors answer questions concerning a specific academic concern, such as problems with a particular class, and guide students through the registration process, including providing information on various registration blocks and what needs to be done to remove them.
- **Help students plan for future graduate study or career.** Advisers discuss how an academic major can prepare a student for his/her career, and what career options are available.
- **Serve as a campus resource.** Advisers assist students in obtaining support from other offices of the University. This includes informing students about possible scholarships or fellowships, and referring students to instructors for academic support.

2) Class/Test Accommodations

Students who request to receive class/test accommodations must meet and consult with the course instructor in order to identify the area of their academic struggle. After consultation, the instructor will complete the Class/Test Accommodation Form, and the request needs to have the Academic Dean's approval. STUDENT LIFE

1. CHRISTIAN SERVICE

ICC recommends that ICC students have at least 20 Christian service hours [quarterly] at a local church, a Christian organization include IVY CC, or a volunteer work which could provide community service hours except the other religious group. (Total 6 quarters)

Any Christian service has to be approved by the Director of Student Affairs before it starts. If any student starts before approved by the Director of Student Affairs, could not get any Christian service hours.

2. CHAPEL AND PRAYER

Acts and thoughts that ascribe “worship” or worthiness to divine. “The chief end of man is to glorify God and to enjoy Him forever” (Westminster Shorter Catechism). The roots of worship are knowledge, emotions and will. Worship is not a mystical experience; it is at best a spiritual experience. Christianity is concerned not only with the end, but also with the means to an end. In the worship service, we first serve Triune God and offer praise to Him. Worship not only serves

Student Handbook

God, but it also meets the needs of those who worship.

The Ivy Christian College provides meaningful worship service for students once a week. Chapel services feature worship services as well as messages by members of the ICC's faculty and other outstanding Christian leaders. Chapel attendance is required.

Students and faculty come together for a day of prayer once each quarter. A worshipful communion service climaxes this spiritual highlight.

3. DAY OF EVANGELISM

Periodically a day of evangelism is planned during which students gather in small groups to share the gospel in surrounding communities. In the Scripture it is an act of worship which covers all soul in its approach to God. Supplication is at the heart of it, for prayer always springs out of a sense of need and a belief that God is a rewarder of them that diligently seek Him (Heb 11:6).

It will be seen that as an order in the ministry, the evangelist precedes that of the pastor and teacher, a fact which harmonizes with the character of the work each is still recognized as doing. The evangelist has no fixed place of residence, but moves about in different localities, preaching the gospel to those ignorant of it before. As these are converted and united to Jesus Christ by faith, the work of the pastor and teacher begins, to instruct them further in the things of Christ and build them up in the faith. At a later time, the name of "evangelist" was given the writers of the four Gospels because they tell the story of the gospel and because the effect of their promulgation at the beginning was very much like the work of the preaching evangelist.

STUDENT AFFAIRS COMMITTEE hosts numerous prayer meetings, discussion groups led by mission leaders, and chapels to keep the student body aware of spiritual needs around the world and to urge students to consider missionary service. The fellowship particularly encourages students to participate in a Missionary Summer and Winter Internship.

4. SPIRITUAL FORMATION

Each first- and second-year students are reassigned to a student support group that meet weekly for prayer, Bible study, fellowship, character assessment, career planning, and spiritual development.

Also available for interested students are ISI (Iron Sharpening Iron) groups. These student-led groups meet weekly for encouragement, fellowship, and prayer. Academic departments also hold meetings periodically with departmental majors for advice and fellowship.

Advising at the ICC involves the concerns of normal students experiencing normal college problems. Common issues include relationship problems, self-esteem, depression, anxiety/stress, eating and body image concerns, and difficulty adjusting to college life. The fact that so many people use our services (well over 800 last year alone) reflects just how common these issues are.

3) Personal Advising - Individual advising provides students with the opportunity to freely explore any personal problems or concerns which have a negative impact on the quality of their lives. Due to the high demand for services, students are limited to ten sessions per year and to a total of forty-sessions during their enrollment at ICC. Students who request or require longer-term treatment are referred to community resources.

4) Group Advising - Each quarter, students may participate in small group (6-8 students) experiences on issues related to their needs (e.g., depression, eating disorders, anxiety, grief, etc.). There is no limit to the number of group sessions available to a student.

5) Substance Abuse Advising - Screening, assessment, referral, education, individual advising, and group advising are available to students struggling with alcohol or other drug issues.

6) Consultation - In person or over the phone, the ICC provides consultation to students, faculty, staff, and others who are concerned about the unusual, problematic, or potentially harmful behavior of others. The ICC attempts to protect the anonymity of individuals who request consultation. However, if there are significant concerns about the well-being of either the student or others, the ICC may have a professional obligation to act on the information.

7) Peer Mentor Program - Designed to help first year and transfer multicultural and international students make a successful and rewarding transition from high school to the College. Students are provided with the opportunity to meet other multicultural and

Student Handbook

international students who have similar experiences and interests. The peer protégé connection provides an academic, cultural, and social support network for students seeking academic excellence and satisfaction.

8) Policies - Advising is confidential, and the ICC's records are kept separate from academic records. Except as required by law, the ICC does not disclose information to anyone without written consent of the client. Even the fact that a student is being seen at the ICC is considered confidential

3. STUDENT CAREER ADVISING

1) The Office of Student Affairs Provides Three Things

- a. Career advising services to ICC students who are seeking a job on and/or off campus. Job openings announced by ICC, a church or an organization in the related field will be posted on the bulletin board located on each floor of the school. Students' resume can be posted on the school website for a potential employer or recruiter.
- b. Two tests which are a test of founding spiritual gifts, and people puzzle test(Personality Test).
- c. Assistance for students seeking professional positions with ICC, churches, other Christian organizations.

4. CHRISTIAN MINISTRY OPPORTUNITIES

Metropolis gives students opportunities to apply what they are learning in the classroom. Many churches welcome students to teach Sunday school, lead youth groups, and minister in other ways. Missions, jails, Christian youth organizations, and hospitals in the city provide choice fields for service. Advanced students may find openings in Christian education, church music, and sometimes a pastorate.

5. HEALTH SERVICES

Ivy Christian College recognizes the need and obligation to provide first- aid treatment to students and staff who become ill or are injured while attending class or performing their job functions. However, referral of individuals for first-aid treatment should be limited to those circumstances that actually require first aid. Health related circumstances not requiring first aid should be handled through other procedures.

Injuries should be referred to the ICC Office. For all other non-emergency type health situations, the main office should be contacted for referral to the parent or guardian. If a student is under

Student Handbook

doctor's care and must take prescription drugs or treatments, this must be identified at the office of the Director of Full-Time Programs, where confirmation and a plan for administration can be developed with the individual student. There may be times when a student needs emergency medical treatment while at school or away from school while on a school trip.

The parent or custodian of a minor must authorize in writing the person having the care of a minor and authority to consent to emergency medical treatment and hospital care for the minor. Such written authorization must be dated and signed. In the event that there is no written authorization and parents cannot be located, a school official may consent to emergency medical treatment for a minor needing treatment because of an accident and/or illness. Student medical information will be kept in the office of the Director of Full-Time Programs.

Student Complaint Procedures

1) The law provides students with the right to inspect and review information contained in their education record; to a response to reasonable requests for explanations and interpretations of the record; to challenge the contents of their education record; to have a hearing if the outcome of the challenge is unsatisfactory; and to submit explanatory statements for inclusion in their files if they feel the decision of the hearing officer is unacceptable.

2) The Academic Dean has been assigned by the College to coordinate the inspection and review procedures for student education records, which include admissions, personal, academic, and financial files, and academic cooperative education, disclosure and placement records. Students wishing to review their education records must make written request to the official responsible for the records listing the item or items of interest.

3) Records covered by the Act will be made available within forty-five days of the request. Students may have copies made of their records with certain exceptions (e.g., a copy of the academic record for which a financial 'hold' exists, or a transcript of an original or source document which exists elsewhere). Education records do not include records of instructional, administrative and educational personnel which are the sole possession of the maker and are not

Student Handbook

accessible or revealed to any individual except a temporary substitute, records of the law enforcement unit, student health records, employment records or alumni records. Health records, however, may be reviewed by physicians of the students' choosing.

4) Students may not inspect and review the following: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; educational records containing information about more than one student, in which case the institution will permit access ONLY to that part of the record which pertains to the inquiring student; and confidential letters and recommendations placed in their files prior to January 1, 1975, providing those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

If the decisions are in agreement with the student's request, the appropriate records will be amended. If not, the students will be notified within a reasonable period of time that the records will not be amended, and they will be informed by the Academic Dean of their right to a formal hearing. Students' requests for a formal hearing must be made in writing to the Academic Dean who, within a reasonable period of time after receiving such requests, will inform students of the date, place and time of the hearing.

Students may present evidence relevant to the issues raised and may be assisted or presented at the hearings by one or more persons of their choice, including attorneys, at the students' expense. The hearing officers who will adjudicate such challenges will be designated by the President of the College.

Decisions of the hearing officer will be final; will be based solely on the evidence presented at the hearing, will consist of written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered to all parties concerned. The education records will be corrected or amended in accordance with the decisions of the hearing officer, if the decisions are in favor of the students. If the decisions are unsatisfactory to the students, the students may place with the education records statements commenting on the information in the records, or statements setting forth any reason for disagreeing with the decisions of the hearing officer. The statements will be placed in the education records, maintained as part of the students' records, and released whenever the records in question are disclosed.
