HISTORY OF THE COLLEGE

Ivy Christian College (ICC) was founded by Jane Kim, under the leadership of Dr. David Y. Pak, on March 2006 for the purpose of training qualified ministers wholly committed to the Word of God. The hope of the College is to launch a true ethnic Christian Theological training College with the aim of reforming Lord Jesus’ churches in the USA.

Ivy Christian College’s primary purpose is to provide religious training and theological education. Ivy Christian College is certified to operate in Virginia by the State Council of Higher Education for Virginia (SCHEV). The State Council of Higher Education for Virginia is located at James Monroe Building, 101 North Fourteenth Street, Richmond, VA 23219.

Ivy Christian College is accredited by Transnational Association of Christian Colleges and Schools (TRACS) which is a national accrediting body for Christian institutions. TRACS is located at 15935 Forest Road, Forest, Virginia 24551; phone (434) 525-9539; fax (434) 525-9538.

ICC is authorized by the United States Immigration and Customs Enforcement (ICE) to enroll non-immigrant students.

Currently, Ivy Christian College offers Bachelor of Arts in Biblical Studies (B.A.B.S.), Bachelor of Arts in Business Administration (B.A.B.A.), Associate of Arts in Biblical Studies (A.A.B.S.), Associate of Arts in Business Administration (A.A.B.A.) and English as a Second Language (E.S.L.) programs.

STATEMENT OF FAITH

ICC stands firmly on the Baptist Faith and Belief, following the theological tradition of Anabaptist. The entire family of ICC confesses the following according to the Canonical Bible.

To guarantee that ICC will maintain its theological position, each member of Board of Trustee,
Faculty, and Teaching Staff is required initially and annually to engage in and subscribe to the following Statement of Faith. Also every board, administration, staff and faculty member must sign it.

1. The Holy Scriptures

We believe the Holy Scriptures of the Old and New Testaments to be the verbally inspired Word of God, the final authority for faith and life, inerrant in every matter in the original writing, infallible and God-breathed (2 Timothy 3:16-17).

2. The Godhead

We believe in one Triune God, eternally existing in three persons—Father, Son, and Holy Spirit—co-eternal in being, co-identical in nature, co-equal in power and glory, and having the same attributes and perfections (Deuteronomy 6:4; 2 Corinthians 13:14).

3. The Person and Work of Christ

We believe that the Lord Jesus Christ, eternally God, became man, without ceasing to be God, having been conceived by the Holy Spirit and born of the Virgin Mary, in order that He might reveal God and redeem sinful men (Luke 1:35; John 1:1,2, 14).

We believe that the Lord Jesus Christ accomplished our redemption through His death on the cross as a representative, vicarious, substitution sacrifice; and that our justification is made sure by His literal, physical resurrection from the dead (Romans 3:24-25; Ephesians 1:7; 1 Peter 1:3-5; 2:24).

We believe that the Lord Jesus Christ ascended to heaven, and is now exalted at the right hand of God, where, as our High Priest, He fulfills the ministry of Representative, Intercessor, and Advocate (Acts 1:9-11; Romans 8:34; Hebrews 7:25; 9:24; 1 John 2:1-2).

4. The Person and Work of the Holy Spirit

We believe that the Holy Spirit is a person who convicts the world of sin, of righteousness, and of judgment; revealing Christ to men and enabling them to believe; and, that He is the supernatural agent in regeneration, baptizing all believers into the body of Christ, indwelling and sealing them.
unto the day of redemption (John 16:8-11; Romans 8:9; 1 Corinthians 12:12-14; 2 Corinthians 3:6; Ephesians 1:13-14).

We believe that He guides believers into all truth, anoints and teaches them, and that it is the privilege and duty of all the saved to be filled with the Spirit (John 16:13; Ephesians 5:18; 1 John 2:20, 27).

5. The Creation and Man

We believe that the book of Genesis presents a historically accurate account of the origin of man, the fall of Adam and Eve, and consequently the entire human race, the worldwide flood, the call of Abraham, and the origin of God's chosen people, Israel. Included in this is our belief that special creation of the existing universe, consisting of time, space, and matter, was accomplished in six literal, twenty-four hour days, as detailed in Genesis chapter one.

We believe that man was created in the image and likeness of God, but that when man sinned the human race fell and became alienated from God. Man, thus, is totally depraved and of himself, utterly unable to remedy his lost condition. (Genesis 1:26-27; 5:2; Psalm 51; Romans 3:22-23; 5:12; Ephesians 2: 1-3, 12).

6. Salvation

We believe that salvation is the gift of God brought to man by grace and received by personal and purposeful faith in the death and resurrection of the Lord Jesus Christ, whose precious blood was shed on Calvary for the forgiveness of sins (1 Corinthians 15:1-5; Ephesians 1:7; 2:8-10; 1 Peter 1:18-19).

We believe that while the death and resurrection of Christ is sufficient provision for the salvation of all men, only those who exercise saving faith will have forgiveness of sin and receive eternal life. Those who so exercise faith are then regenerated, baptized by the Holy Spirit into Christ, and granted every spiritual blessing in Christ (Romans 6:3-4; 1 Corinthians 12:13; Ephesians 1:3-4; 2:8-9; Philippians 2:13; Titus 3:5; 1 John 2:2).

7. The Eternal Security and Assurance of Believers

We believe that all the justified, once saved, are kept by God's power and are thus secure in Christ forever (John 6:37-40; 10:27-30; Romans 8: 1., 38; 1 Corinthians 1:4-8; 1 Peter 1:5).
We believe that it is the privilege of believers to rejoice in the assurance of their salvation through the testimony of God's Word; which, however, clearly forbids the use of Christian liberty as an occasion to the flesh (Romans 13: 13-14; Galatians 5: 13; Titus 2: 11-15; 1 John 5: 10-13).

8. The Two Natures of the Believer

We believe that the regenerated person retains his corrupt, sinful, depraved nature, but at the moment of salvation also becomes a partaker of the divine nature, capable of pleasing God through the ministries of the indwelling Holy Spirit (Romans 6:13; 8:12-13; Galatians 5:16-25; Ephesians 4:22-24; Colossians 3:9-10; 1 Peter 1:14-16; 1 John 3:5-9).

9. Separation

We believe that all the saved should live in such a manner as not to bring reproach upon their Savior and Lord; and, that separation from all religious apostasy, all worldly and sinful pleasures, practices and associations is commanded by God (Romans 12: 1-2, 14: 13; 2 Corinthians 6:14-7:1; 2 Timothy 3:1-5; 1 John 2:15-17; 2 John 9-11).

10. Missions

We believe that it is the obligation of the saved to witness by life and by word to the truths of Holy Scripture and to seek to proclaim the Gospel to all mankind (Matthew 28: 19-20; Mark 16: 15; Acts 1 :8; 2 Corinthians 5: 19-20).

11. Ministry and Spiritual Gifts

We believe that God is sovereign in the bestowing of all His gifts; that the gifts of evangelist and pastor-teacher are given to the church for the equipping of the saints today; that each believer has a spiritual gift for the purpose of ministry to others, such as the gifts of ministry, helps, leadership, administration, exhortation, giving, mercy, and teaching; that the gifts of prophecy, speaking in tongues, and the working of sign miracles ceased as the New Testament Scriptures were completed and their authority became established (Romans 12:6-8; 1 Corinthians 12:4-11; 2 Corinthians 12:12; Ephesians 4:7-12; 1 Peter 4:10).

We believe that God does hear and answer the prayer of faith, in accord with His own will, for
the sick and afflicted (John 15:7; James 5: 14-15; 1 John 5: 14-15).

We believe in the autonomy of the local church (Acts 13: 1-4; 20:28; Romans 16:1; 1 Corinthians 3:9, 16; 5:4-7; 1 Peter 5:1-4).

We recognize the ordinances of water baptism and the Lord's Supper as a scriptural means of testimony for the church today (Matthew 28: 19-20; Acts 2:41-42; 18:8; 1 Corinthians 11:23-26).

12. The Personality of Satan

We believe that Satan is a person, the author of sin and cause of the fall; that he is the open and declared enemy of God and man; and, that he shall be eternally punished in the lake of fire (Job 1:6-7; Isaiah 14:12-17; Matthew 4:2-11; Revelation 20:11).

13. The Second Advent of Christ

We believe in that "blessed hope," the personal, imminent, pre-tribulation and premillennial coming of the Lord Jesus Christ for the church; and in His subsequent return to earth, with His saints, to establish His Millennial Kingdom, which will begin only after the second advent (Zechariah 14:4-11; 1 Thessalonians 1: 10; 4: 13-18; 5:9; Revelation 3: 10; 19:11-16; 20:1-6).

14. The Eternal State

We believe in the bodily resurrection of all men, the saved to eternal life, and the unsaved to judgment and everlasting punishment (Matthew 25:46; John 5:28-29; 11:25-26; Revelation 20:5-6; 22:12).

We believe that the souls of the justified are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection, when soul and body are reunited to be glorified forever with the Lord (Luke 23:43; 2 Corinthians 5:8; Philippians 1:23; 3:32; 1 Thessalonians 4:16-17; Revelation 20:4-6).

We believe that the souls of unbelievers remain, after death, in conscious misery until the second resurrection, when with soul and body reunited they shall appear at the Great White Throne Judgment, and shall be cast into the lake of fire, not to be annihilated, but to suffer everlasting conscious punishment (Matthew 25:41-46; Mark 9:43-48; Luke 16:19-26; 2 Thessalonians 1: 7-9; Jude 6- 7; Revelation 20: 11-15).
How should we then live in view of the biblical message about the future?

We should live according to Scripture, live as though we would appear before our Lord God in a matter of minutes or hours. As we so live, we should view every opportunity as though it might be the last one we will ever have. The Bible does not teach God’s people to fold their hands and wait idly for Christ’s return. Rather, it emphasizes the need to be actively serving while we wait for God.

MISSION STATEMENT

Ivy Christian College exists to integrate academic excellence and Christian values, providing a community where its students are educated to think and act as ethical leaders and responsible citizens.

ICC seeks to fulfill its purpose by providing a variety of lifelong learning opportunities for individuals and churches, including adult continuing education classes, seminars, publications and media resources, as well as by providing theological leadership for the Christian community and world for glory of triune God.

In fulfilling this purpose, ICC seeks to develop the following competencies in its graduates. We believe that each of these competencies is intimately and necessarily related to others. Effective ministry requires spiritually sensitive application and integration of all of these competencies.

TO WALK WITH THE TRIUNE GOD

Grace: Understands and is personally committed to the Gospel of grace as understood in our standards.

Lifestyle: Exhibits spiritual maturity and Christ-like character growing out of the love of Christ.

Servant hood: Demonstrates a heart to serve triune God and others in one’s
AND TO LEAD GOD’S PEOPLE

Relational skills:  Relates to others with evident respect, sensitivity, and concern to serve, even when there are differences of culture, belief, or values.

Leadership:  Leads others in walking with God in accordance with gifts and callings (e.g., preaching, teaching, advising, evangelizing, mercy ministry) - modeling Christ’s courage, love and humility.

Christ’s Lordship:  Seeks to bring Christ’s lordship to bear in all areas of life and culture - individual and corporate, private and public.

Vision:  Seeks to advance the cause of Christ among diverse peoples and cultures within North America and throughout the world for glory of the triune God.

PHILOSOPHY OF EDUCATION

1. Ivy Christian College is a Bible College; the Bible is the heart of the curriculum, in contrast to a program that is essentially philosophical or sociological. The absolute inerrancy and authority of the Scripture are paramount. Because we emphasize the primacy of the Word of God, we believe that the tools of exegesis are essential in preparing students for the ministry, so that they may become capable expositors of the Word of God.

2. We are aware that teaching sound doctrine alone is not enough. This doctrine must be translated into practical Christian service. Therefore, our faculty must not only be highly qualified in academics and instructional methodologies, but they also must be excellent spiritual and moral examples.

3. Recognizing the limitations of a primarily academic setting, we seek to instill within the student a deep love for God and His Word, a heart for evangelism and missions, and the integration of biblical teaching and values into every aspect of life. We also believe that it is imperative for students to be involved in practical "hands-on" ministry and mission to complement their College...
4. The primacy mission of Ivy Christian College is to provide quality collegiate education. The Ivy Christian College is a Christian academic community in the tradition of evangelical institutions of higher education. As such, Ivy Christian College continues the philosophy of education which first gave rise to the College, summarized in the following proposition:

   a. God, the infinite source of all things, has shown us truth through Christ in nature, history, and, above all, in Scripture. Persons are spiritual, rational, moral, social and physical, created in the image of God. They are, therefore, able to know and to value themselves and other persons, the universe and God.

   b. Education as the process of teaching and learning, involves the whole person, developing the knowledge, values, and skills that enable the individual to change freely.

**DISTINCTIVES OF ‘ICC’**

Bible and the Confessional Standards of the church, the ICC is dedicated to the following distinctive principles:

1. Belief in the plenary verbal inspiration of Scripture resulting in an inerrant Word as it was originally given by God, and, therefore, the only infallible rule of faith and practice.

2. Belief that the biblical form of Church government is the Baptist form, which is essential to the well-being of the Church, though not necessary to its being. Belief in the Great Commission is the one and only mission of the Church. The Christian individually and in association with others, has obligations to function in all spheres of life by developing and practicing the full implications of the Christian world and life view in every human relationship and in all aspects of life and society under the Lordship of Christ.

   The Church, on the other hand, should not presume to enter into spheres of activity where it has neither calling nor competence. Christ gave but one Great Commission to the Church, namely to evangelize the world and to teach all things that He has taught us.

3. Belief in Dynamic Spiritual Emphasis as a student must be walking in fellowship with God (the Holy Spirit) so that he or she can be taught by the Holy Spirit. The cultivation of the spiritual life is inseparably fused with the scholarly study of biblical and related subjects, thus providing an
unusual classroom climate and a distinct theological education. All this is designed to prepare students to communicate the Word of God in the power of the Holy Spirit.

4. Belief in a Strong Commitment to Missions; ICC is firmly committed to promoting the missionary enterprise throughout the world. This Commitment is demonstrated in a variety of ways that provide exposure for students to the diverse nature of missions and the unique opportunities for career service in missions.

5. Emphasis on the practical as well as the theological aspects of ministry. The ICC believes that learning “how” to minister is as important as learning “what” to minister, and therefore trains as well as instructs.

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, [even] unto the end of the world. Amen” (Mat.28: 19-20).

**INSTITUTIONAL GOALS OF THE COLLEGE**

Based on its Mission Statement, Ivy Christian College will endeavor:

1. To instruct students in biblical knowledge based on the authoritative, inerrant Word of God.
2. To help students integrate biblical principles into the personal, social and professional areas of their lives.
3. To train students to communicate effectively to impact their world.
4. To stimulate within students a spirit of inquiry, investigation and critical thinking so as to equip them to be lifelong learners.
5. To equip students for various kinds of service in the context of the local church and other Christian ministries.
6. To challenge all students at the College to understand and believe the gospel of Jesus Christ.
7. To identify fundamental concepts of administration and to understand the ethical and behavioral concerns.
8. To demonstrate skills needed to utilize and leverage technology relevant within the community.
CODE OF CONDUCT

Traditionally, a code of conduct is a list of rules with consequences. The Board has stated the code of conduct of ICC in a way that reflects the grace of God. It is included in official publications. Trustees, administrators, faculty, staff, and students must agree to abide by the code and so state in writing. Ivy Christian College affirms that:

1. Each Christian is to be Christ like in attitude and action. This is neither automatic nor instantaneous, but a growth process. This Christ likeness does not come by observing certain outward expectations, but comes from within as the indwelling Spirit of God energizes the believer submitted to God (Romans 12:12; Philippians 2:12-13). As believers walk in fellowship with the Lord, being controlled and enabled by the Holy Spirit, they are changed to be more and more like Him (2 Corinthians 3:18; Philippians 2:12-13, 1 John 1:47).

2. Believers are to glorify God in their bodies and are to live holy lives (1 Corinthians 6:19-20; 1 Peter 1:13-16). Love toward God is evidenced by love for those without Christ (note Paul’s example in 2 Corinthians 5:14 and Acts 18:5) and by love for fellow believers (1 John 3:16; 4:7-8).

3. Living by God’s grace, believers are to avoid even the appearance (every form) of wrongdoing (1 Thessalonians 5:22). Believers are called to freedom, but this is not to be an opportunity for the works of the flesh (Galatians 5:13).

4. Individuals who, after spiritual instruction (Galatians 6:1), continue to dishonor the Lord by persisting in un-Christ like behavior or unruly conduct may, after due process, be dismissed from ICC (1 Thessalonians 5:14).
FACULTY OF ‘ICC’

The faculty of ICC must not only be highly qualified in academics and instructional methodologies, but they also must be excellent spiritual and moral examples for students for the glory of God. Every board, administrator, staff and faculty member must sign the Statement of Belief and Covenant or Doctrinal Position, Philosophy of Education, and distinctive principles of ICC.

Our faculty rest firmly upon the integrity and inerrancy of the Holy Scriptures and, therefore, wholeheartedly accepts the great basic doctrines of the historic Protestant Christian faith and the Westminster Confession.

Therefore, all faculty of the ICC will maintain its theological position. In addition to the General Regulation of the College, our teachers must have at least a master’s degree in Theology, Divinity or a major related field and/or a doctoral degree in Theology or Ministry.

FACILITIES OF THE COLLEGE

The Ivy Christian College campus is located at 9401 Mathy Dr. in Fairfax, Virginia 22031. Classrooms, offices, computer laboratory, auditorium, and library are housed in a modern building of approximately 6,000 square feet. The Ivy Christian College is close to the Washington DC, Fairfax, and 495 freeways, for the easy access from all the cardinal points.

Classrooms are spacious, carpeted and air-conditioned for the students comfort. The building, equipment, and other learning resources being used for instructional purposes comply fully with all applicable federal and state regulations and local ordinances for safety and public health.

POLICIES, PROCEDURES

1. LIFE STYLE EXPECTATIONS

Members of Ivy Christian College are expected to demonstrate a positive and growing commitment to Jesus Christ as Lord by continued study and obedience to the Scripture in all areas of life. A regular experience of forgiveness and renewal, surrender to God the Holy Spirit, demonstration of Christian love and service to others, concern for evangelism and world missions, honesty, personal integrity, recognition of the rights of others, defense and advocacy of justice, response to the needs of the poor and oppressed, and emphasis upon glorifying God, in all thought and action, are examples of behaviors which are endorsed and encouraged.
Certain practices are forbidden in Scripture and are not condoned in the lives of members of Ivy Christian College community. Sexual relationship outside of marriage, homosexuality, drunkenness, theft, dishonesty, and disobedience to the state (except in those rare instances that violate a biblically informed conscience) are example of practices which are unacceptable.

Other aspects of community life include a commitment to the pursuit of excellence, forbearance for one another, recognition of the Lord’s Day as a day of worship and rest, a growing awareness and reflection of Christ in daily life, and a dedication to the concerns that motivated His life on earth.

We believe that a decision to become a part of Ivy Christian College implies a willing commitment to live in accordance with the teaching of the Bible, as well as a willing acceptance of the responsibilities and conditions of membership. It is our hope that those led by the Lord to become a part of the distinctive Ivy Christian College community and have already adopted a Christ-lifestyle.

2. DRUG FREE WORKPLACE POLICY

Ivy Christian College has a policy of maintaining a Drug-free Workplace. All employees and students are hereby notified that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in this institution’s workplace. The workplace is defined as any classrooms, hallways, restrooms, parking, or storage areas that are connected to the main campus at 9401 Mathy Dr. Fairfax, VA. 22031, or any location outside of the main campus where Ivy Christian College programs or courses are discussed or promoted. The unlawful possession, distribution and use of controlled substances and illicit drugs, as defined by the Virginia Drug Control Act, are prohibited in Virginia. Controlled substances are classified under the act into schedules ranging from Schedule I through Schedule VI, as defined in sections 54.1-3446 through 54.1-3456 of the Code of Virginia (1950), as amended. 3. CRIMINAL SANCTIONS - ALCOHOL

The Ivy Christian College is a Christian school of diverse individuals who have come together for the purpose of education and glory of triune God. As with any community, the College must establish guidelines for behavior which will produce the type of environment necessary to best achieve its mission.

ICC reserves the right to develop and implement new rules, guidelines and student standards of conduct not presently included in this document. It is the responsibility of the College to make a reasonable attempt to inform the student body of any change in or addition to the current policies and regulations.

Students are also expected to comply with College policies as these policies pertain to student conduct. Students who violate state laws, county laws, or city ordinances are subject to prosecution and also College disciplinary action.

1) ICC Regulation of Alcohol.

“And do not drunk with wine, in which is dissipation; but be filled with the Spirit” (Ephe. 5:18). In keeping with the goal of a drug-free campus, possession or consumption of alcohol anywhere on the ICC campus, including dormitory rooms, is not permitted. The Ivy Christian College prohibits the possession or use of alcoholic beverages on campus or at functions elsewhere held by the ICC or its organizations.

Public display, drunkenness, and misconduct are violations of the ICC conduct rules and those violating these rules will be disciplined in accordance with the seriousness of the violation. The ICC prohibits the possession, use or distribution of illegal drugs. Anyone apprehended using or selling on campus will be subject to immediate dismissal.

The ICC reserves the right to conduct an inspection of any classroom or automobile when it has good reason to believe that ICC regulations are being violated. The ICC also must reserve the right to request at any time the withdrawal of a student who cannot make the required progress toward graduation or whose conduct is detrimental to his or her health or whose conduct is not satisfactory to its officials. A student may be asked to withdraw because of unsatisfactory conduct in the absence of any specific charge.

2) Virginia’s Alcohol Beverage Control Act

Virginia’s Alcohol Beverage Control Act contains a variety of laws governing the possession, use and consumption of alcoholic beverages. The act applies to the students and employees of this institution. As required by the Federal Drug-Free Schools and
Communities Act of 1989, the pertinent laws, including sanctions for their violation, are summarized below:

It is unlawful for any person under age 21 to purchase or possess any alcoholic beverage. Violation of the law exposes the violator to a misdemeanor conviction for which the punishment is either confinement in jail for up to 12 months, a fine up to $2,500 or both. Additionally, such person’s Virginia driver’s license may be suspended for a period of not more than one year.

It is unlawful for any person to sell alcoholic beverages to persons under the age of 21. Violation of the law exposes the violator to a misdemeanor conviction for which the punishment is either confinement in jail for up to 12 months, a fine up to $2,500 or both.

It is unlawful for any person to purchase alcoholic beverages for another when, at the time of the purchase, he knows or has reason to know that the person for whom the alcohol is being purchased is under the legal drinking age. The criminal sanction for violation of the law is the same as item 2 above.

It is unlawful for any person to consume alcoholic beverages in unlicensed public places. Violation of the law, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is a fine up to $250.

4. HEALTH RISKS

The illegal use of controlled substances has substantial and detrimental effect on the health and general welfare of American People. More than 25,000 people die each year from drug related accidents or health problems. With most drugs, it is probable that users will develop psychological and physical dependence. The health risks associated with the unlawful use of controlled substances depend on the combination used and the individual using them. The following are general categories of drugs and their effects:

1) **Alcohol** - Short-term effects include behavioral changes, impairment of judgment and coordination, greater likelihood of aggressive acts, respiratory depression, irreversible physical and mental abnormalities in newborns (fetal alcohol syndrome) and death. Long-term effects of alcohol abuse include damage to the liver, heart and brain, ulcers, gastritis, malnutrition, delirium, tremors and cancer. Alcohol combined with other barbiturates/depressants can prove to be a deadly mixture.

2) **Amphetamines/Stimulants**:( speed, uppers, crank, caffeine, etc.) - Amphetamines speed up the nervous system which can cause increased heart and breathing rates,
higher blood pressure, decreased appetite, headaches, blurred vision, dizziness, sleepiness, and death due to a stroke or heart failure.

3) **Anabolic Steroids** - Steroids affect the liver, cardiovascular, and reproductive systems. They can cause sterility in males and females, as well as impotency in males.

4) **Barbiturates/Depressants**: (downers, Quaaludes, valium, etc.) - Depressants slow down the central nervous system which can cause decreased heart and breathing rates, lower blood pressure, slowed reactions, confusion, distortion of reality, convulsions, respiratory depression, coma and death. Depressants combined with alcohol can be lethal.

5) **Cocaine/Crack** - Cocaine stimulates the central nervous system and is extremely addictive, both psychologically and physically. Effects include dilated pupils, increased heart rate, and elevated blood pressure, and insomnia, loss of appetite, hallucinations, paranoia, seizures, and death due to cardiac arrest or respiratory failure.

6) **Hallucinogens**: (PCP, angel dust, LSD, etc.) - Hallucinogens interrupt the functions of the part of the brain which controls the intellect and instincts. May be included speech, depression, anxiety, violent behavior, paranoia, hallucinations, increased heart rate and blood pressure, convulsions, coma, and heart and lung failure.

7) **Cannabis**: (marijuana, hashish, hashes, etc.) - Cannabis impairs short-term memory, comprehension, concentration, coordination, motivation and may also cause paranoia and psychosis. Marijuana smoke contains more cancer causing agents than tobacco smoke.

8) **Narcotics**: (smack, horse, Demerol, Precedent, etc.) - Narcotics initially produce feelings of euphoria often followed by drowsiness, nausea, and vomiting. An overdose may result in convulsions, coma, and death. Tolerance develops rapidly and dependence is likely. Using contaminated syringes while injecting such drugs may result in a higher risk of exposure to AIDS.

9) **Tobacco/Nicotine** - Nearly one in every five deaths in the United States is a result of smoking, making tobacco use the leading preventable cause of death. More than 440,000 deaths in the United States each year are attributed to tobacco use, resulting in more than 6 million years of potential life lost each year. Smoking during pregnancy causes more than 1,000 infant deaths per year.

If the individual refuses or the owner cannot be found, the police will be called and appropriate action taken.

1) Students found with a pet in College housing will automatically be given notice that they are being charged for each pet and that they have 24 hours to remove the pet. 14. **RACIAL HARASSMENT**

The Ivy Christian College is committed to principles that enable educational and professional enhancement of all ethnic and racial groups. The College seeks to emphasize the importance of community awareness and appreciation of diverse cultures within the United States of America and the world.

The present and future course of the Ivy Christian College are designed to eliminate all policies and practices that work to the disadvantage of individuals on the basis of race, and to work diligently to eliminate all forms of discrimination including institutional and personal patterns that directly and in-directly feed the destructive forces of racism.

Racist and discriminatory conduct means verbal or physical behavior that explicitly demeans the race, color, ethnic ancestry, or national origin of an individual or individuals, and: (1) has the purpose or effect of interfering with the education, the College related work, or other institutionally authorized activity of a student, employee, official, or guest; or (2) creates an intimidating, hostile, or demeaning environment for learning, working, or other activity authorized by this College.

16. ACADEMIC FREEDOM

In institution of higher education, like Ivy Christian College, the principle of Academic Freedom is essential (distinctive) to the search for truth and its exposition. Freedom in research is fundamental to the advancement of knowledge and the right to Academic Freedom in its teaching aspect is fundamental for the protection of the rights of the faculty and of the students in the educational process.
These concepts of Academic Freedom are promoted at Ivy Christian College and they are elaborated as follows:

- The faculty, staff and students of ICC are entitled to full freedom in research and in publication of the results, subject to the adequate performance of Faculty’s other academic duties. The faculty member may take on additional employment, including research for pecuniary return, without the approval of the College’s officer or President of the College, provided it does not interfere with his/her duties at the College. The faculty and the students of ICC are entitled to freedom in the classroom to discuss their subject, but should exercise this freedom in a responsible manner.

- The faculty, staff and the students of ICC may exercise their rights as citizens when speaking or writing as citizens and should be free from institutional censorship or discipline, but the faculty members’ special position in the community imposes special obligations. As a member of the teaching profession, and as a representative of an educational institution, the faculty member should remember that the public may judge his/her profession and his/her institution by his/her utterances.

- Hence, the faculty member, staff and students should at all times be accurate; should exercise appropriate restraint; should show respect for the opinion of others; and should make every effort to indicate that he/she is not speaking for the ICC. Any faculty member and students who believes that his/her rights have been abridged or ignored by an administrative officer or employees of Ivy Christian College and who is unable to obtain redress which is satisfactory to the faculty member within his/her own department, shall have the right to appeal to the President of the College.

17. NONDISCRIMINATION ON THE BASIS OF DISABILITY

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 prohibit discrimination on the basis of a disability and provide for equal access to employment opportunities, admissions, educational programs and all other College sponsored programs and services. The Ivy Christian College is committed to achieving equal educational and employment opportunity and full participation for persons with disabilities. It is the College’s policy that no qualified person shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination with regard to the programs, activities, or services provided by the College.
Student requests for accommodations are handled by the Office of Disability Services. A student is responsible for informing the Office of Disability Services of the need for accommodation. The student is also responsible for documenting the disability and for cooperating with the College in attempting to identify effective and reasonable accommodations.

ATTENDANCE POLICY OF STUDENT

Most classes meet for four hours, once a week for ten weeks with a final examination during the 10th week of each quarter. Instructors are required to take attendance for each class session on Populi. Three marks of early departure (15-minute-early departure) or tardiness (15-minute-arrival) count as one absence. Students are marked absence when arriving 30 minutes late or leaving 30 minutes early. The students are required to meet at least 80% of the total attendance a quarter. If the students fail to meet the minimum attendance requirement, they automatically fail the course.

ESL Program students are required to meet at least 80% (180 clock hours) of the total attendance a quarter (225 hours). Only students who satisfy this requirement will be given a program completion certificate. Failing to keep good attendance will result in termination for international students, which means they will lose their status in the U.S. For more information, please see the requirements of our Satisfactory Academic Progress policy.

Students who are absent for 14 or more consecutive days and do not contact the Academic Dean as to their expected return date may be withdrawn. Absences or tardiness may be excused only when a proper official document is provided to the Registrar that explains the students were under special circumstances (i.e. an emergency room visit, a court order, etc.) A make-up quiz or exam can be given to a student who had an excused absence on the testing day at the discretion of the instructor.

1. CLASS ATTENDANCE:

Regular and punctual attendance in classes is expected of all students at ICC. Each faculty member is to state in writing to all students in a class the attendance policy for that class. The faculty member is the judge of whether the student has met the stated attendance requirements of the course. Class attendance is considered essential to the educational process. The ICC subscribes to the philosophy that academic success is directly proportional to class attendance.

It is important that students regularly and punctually attend all class sessions. Attendance will be recorded from the first day the class meets through the final exam.
1) The professor must receive the names of students from the office of ICC.
2) The professor must call attendance from those who have registered for every class.
3) The professor must verify the student through their ID and attendance record the first day.
4) The professor must announce the class policy to their students for the attendance of class.
5) The professor will report to the school office on those students who have missed two or more classes.

Recognizing that situations may arise to prevent a student from attending a class, the ICC will accommodate occasional absences but recommends that students who attend less than 80% of the scheduled class meetings submit a withdrawal request to the ICC Office according to the Withdrawal Procedures described in the ICC Catalog and Faculty Handbook.

Regular attendance and participation in schooling is an important factor in educational and life success. Students who are regular non-attendees are at risk of alienation from education that can lead to decreased options for future pathways.

All absences are unexcused except those caused by illness of the student, quarantine, death in the immediate family, recovery from an accident, required court attendance, educational tours and trips, and certain religious holidays. If a student is absent from school, his/her family should call the School office at (703) 425-4144, report the absence. It does not alleviate your responsibility to provide a written excuse, as directed in this policy. A student shall not be absent from school or from any other required school hours except for illness or other providential cause, unless with written permission of the teacher, or other duly authorized school official.

2. ILLEGAL EXCUSE:

A student, who is absent from school without legal excuse, will be marked as being unexcused for the period of each absence. Students will be notified of their responsibility for their unexcused absences by the proper school authority; (a) the office of ICC will also send a notice by mail to the students who have accumulated three absences from the class of school, informing them of the attendance policy and inviting them to contact the ICC Office to discuss the matter. (b) An unexcused absence occurs when the student does not provide, within two (2) days after an absence, an explanatory note signed by the student or visitation by a physician, which satisfies the criteria for excused absence. After three (3) days unexcused absences from school or the class, an official notice of unexcused absence will be sent to the student. The notice will list the dates of unexcused absences and notify students that any further illegal absence constitutes a summary offense under the School Code.
3. EXCUSED ABSENCE:

Excused absences may be granted for: illness, quarantine, death in the immediate family, impassable roads, school-sanctioned educational trips, family trips, religious holidays, and exceptionally urgent reasons which affect the student and which do not include work at home. Absences for other reasons will be considered unexcused. For an absence to be excused, the student must send a note to the office of ICC within two (2) days after each absence or the day of absence. Instructor (Professor) s may advise any student with excessive absences to withdraw from the course involved to protect the academic standing of the student. It is the student’s responsibility to monitor absences and to comply with the instructor’s syllabus concerning make up work. Failure to complete make up assignments or to withdraw when it is clear that the student cannot achieve an acceptable grade in the class may result in a low grade, including possibly an F based on grade performance in the course. Grades will not be raised or lowered based directly on attendance.

4. EARLY EXCUSE:

Students are not permitted to leave the school campus at any time during the school day without permission from the principal or Academic Dean. If student wish to be excused early during the school day, student must present a note to the Academic Dean of ICC. The note should indiciit (1) the date and time of dismissal; (2) appropriate reason of absence; (3) signature of the student.

The secretary of ICC will issue an “early dismissal” slip to the student, which student must present to the teacher (for his/her signature) at the time of departure of the student. If student return to ICC on the same day, student are to report to the office or Academic Dean before going to class.

5. APPEALS PROCESS:

If a student disagrees with the assignment of an unexcused absence, a tardy or denial of permission to make up missed work, an appeal may be made to the appropriate chief instructional officer or his designee. The appeal must be submitted in writing within one week of the incident.

6. ASSIGNMENTS:

Students are expected to spend two-three hours outside of class reading and/or studying the material or working problems for every hour spent in class. Students are required to read the chapters listed on the Assignment Outline. Lectures and class discussion will follow and supplement the text. Students should read the assignments before class, take notes during class, and follow up by reviewing and/or working related problems immediately after class. Many classes meet every other day and some students make the mistake of thinking that they should study for that class every other day. Best results are realized when students study each class every day.

The student alone assumes responsibility for all absences. A student who presents the instructor
with an adequate and documented reason for an absence normally will be given an opportunity to make up the work missed. The responsibility for initiating the request to make up class work missed is vested in the student.

EMERGENCY AND CRISIS PROCEDURES

ICC posted emergency map and emergency instructions each class rooms and each floor. In case of Fire, Bomb Threats, all students and faculty must get out of the Building. Detail emergency procedure is noticed at Student Orientation.

Ivy Christian College is concerned about the health, safety, and well-being of all students, faculty members, and staff. Administration office and AD Faculty office provide First aid. Emergency procedure instructions are available at all locations where classes are taught. The College also provides insurance through insurance company that covers liability throughout the facilities for bodily injury and property loss related to classroom activities. Student health insurance would be helpful for many, and ICC has made plans to help uninsured student’s secure basic insurance.

1. EMERGENCY OF BOMB THREATS

In the interest of protecting students, faculty, administrators and staff the following procedures shall be followed for all telephone or written bomb threats:

1) The individual receiving the call shall record in writing as much of the substance of the call as possible, noting the times of the call and the stated time and location at which a bomb is set to detonate. The called should be encouraged to give as much information as possible. An effort should be to keep the caller on the line. If a second employee is available an immediate call should be made to 911 Emergency Telephone Number or to the Police department. If a written threat is received, steps 2 through 4 below shall he followed.

2) The office of the President shall be notified immediately of the bomb threat. If the President is not available, the next ranking administrator shall be notified, i.e., the Academic Dean, the Administrative Dean. The Director of Administration shall also be notified as soon as possible.
3) The ranking administrator shall:

a. Notify the Police Department; if that notification was not made while the bomb threat call was in progress
b. Send messengers to all buildings on the College, notifying students, staff and visitors to evacuate ICC Building for a period of not more than 90 minutes, unless otherwise notified
c. Contact maintenance personnel to unlock all doors on campus to permit a search by, police and College personnel
d. Direct a search of buildings to visually identify any suspicious packages, boxes or equipment not normally observed to College operations

3. EMERGENCY AND NON-EMERGENCY PROCEDURES

1) EMERGENCY PROCEDURES
Call Public Safety at 911 or local police station.
**Immediate Physical Danger** - (1) Get out of the area and away from the immediate threat. (2) Call Public Safety immediately after you are in a safe place
**Violence Committed** - Call Public Safety immediately if a person commits an act of violence against you or another person.
**Intimidating Situation** - Call Public Safety if a person has communicated a direct or indirect threat of physical or mental harm against you in any form (i.e., oral or written statements, gestures, expressions). Call Public Safety immediately from a location away from the person who is causing the intimidation. Be prepared to give the dispatcher all the facts, and remain on the line until the officers arrive.

2) NON-EMERGENCY PROCEDURES
If you are not in immediate physical danger, but you have experienced or witnessed harassment (also see separate Sexual Harassment policy and procedures) or intimidation:
   a. Report instances of intimidation or concerns about workplace violence to your direct supervisor. Determine with your supervisor if the issue can be resolved
at this level. If your direct supervisor is the person with whom you are experiencing the conflict, report the incident to that person’s direct supervisor. If that person is also involved in the conflict, you may report the concern to the ICC Investigation Officer (IO).

b. If the conflict cannot be resolved with your direct supervisor, file a formal written complaint with the ICC Investigation Officer (appointed by the President). The complaint should describe the alleged violation, the person(s) against whom the complaint is being filed, and dates of the action(s) as well as the remedy or relief sought.

c. Upon receipt of the written complaint, the IO will review and discuss the complaint with all parties directly involved. On the basis of the written complaint and discussion(s) the IO will determine what further investigative action is required.

d. After the initial discussion(s) with the complainant, the WVIO will conduct further investigation as deemed appropriate. Such investigation may include, but is not limited to:
   a) Interviewing the party(is) alleged to have committed the act;
   b) Interviewing witnesses identified by the complaining or accused party;
   c) Reviewing documents relevant to the complaint.

e. As a result of the above initial steps, resolution with the parties will be explored. If resolution is not achieved, the IO will determine the appropriate actions to be taken.

f. The IO shall prepare a confidential report with regard to the investigation. The report shall state whether or not the IO believes a violation of the College’s Workplace Violence policy has occurred and whether or not resolution has been achieved. The IO’s report shall be completed within 30 days of receipt of any complaint(s); however, such time may be extended for an additional 30 days if necessary.

g. If resolution is not achieved, the person accused of workplace violence may be subject to disciplinary action up to and including termination of employment.

h. Either party may appeal, in writing, the decision of the IO by filing an appeal with the President within five calendar days of receipt of the decision. The President shall respond within 30 calendar days of receipt of the appeal.

i. All reports of concerns made under this policy are confidential. The confidential records will be kept in the office of the IO. Supervisors, the IO and other necessary administrators are directed to limit disclosure of
information to only those persons who, in their discretion, are required to be made aware of a complaint made under this policy. Investigations under this policy are to be made with the least amount of disclosure needed to effectively carry out the investigation. Further, the final report of the IO and all discussions concerning a resolution of a complaint will be kept confidential and released to only those persons who are required to have knowledge. Those making a report of misconduct under this Policy, those interviewed in an investigation under this Policy and those who are the subject of a report under this Policy are requested to limit their disclosure of information to their supervisor, the IO, and/or other necessary persons.

COLLEGE AND STUDENT RIGHTS

As students transition into the world of higher education, you are presented with many challenges. Issues of freedom, choice, rights, and responsibilities are paramount during this stage. Because of this and current national events, increasing attention has been devoted to clarifying the role and duties of an institution of higher education regarding its students.

While Ivy Christian College strives to offer an excellent educational experience to our students, everyone needs to be very aware of the limitations the law and reality impose on the manner in which we operate as an institution of higher education. We have become even more mindful of the need to clearly define our obligations regarding the scope of care we are able to deliver within this environment while respecting and protecting your rights and responsibilities to manage your own affairs.

Because Ivy Christian College is an institution of higher education, you should know that it is not subject to all of the laws and regulations that apply to students in elementary, middle and high schools. For example, those schools are generally responsible for the welfare of the students entrusted to their care, and are typically obligated to provide services and plans that address their students’ medical needs.

That matrix of rights and responsibilities does not exist in a College, where the students are considered adults with their own rights of privacy and autonomy, are legally responsible for their own actions, and where individuality and differences are respected and encouraged. The principles of “in loco parentis” (in the place of the parents”) do not apply in the College environment and ICC does not assume parental responsibilities, rights or control over its students. Instead, the obligations ICC honors are those that apply to adults in general and those that are otherwise required by law.
This difference between high school and college is easy to see in many respects. Universities are not generally obligated to provide medical care or medical assistance to students with specific medical conditions, although such services may be offered. Universities are not obligated to create an Individual Education Plan for students with learning disabilities, and there are no statutorily-created appellate rights by which to challenge whether an education is ‘appropriate’. Parents no longer have the same right to access the educational or medical records of their children. Students have academic advisors, each degree program has its own requirements, and reasonable accommodations are made as required by law; but it is each student’s individual responsibility to exercise his or her own initiative to meet with the advisor, choose the courses, request accommodations, seek needed academic services, and satisfy the degree requirements.

The medical information the student shares with his or her health care provider is confidential and protected by federal and state privacy laws. With limited exceptions, such information is not generally known to the College. Other federal privacy laws, such as the Family Education Rights and Privacy Act, may also restrict the College from sharing information about a student with parents, spouses or significant others. Students can grant others access to that information by signing the appropriate form.

In higher education, students are treated as adults. At ICC, vast opportunities and great challenges await our students. The life of our students takes place in a fast-paced and rigorous academic environment, and students are expected to balance the many academic, employment, cultural and social opportunities available to them to get the most out of their college experience. We are delighted that you are interested in coming to ICC and want you to succeed in accomplishing your goals as an ICC student. Your success will depend upon how well you assume your responsibility to get the most out of your higher education experience.

1. COLLEGE RIGHTS AND RESPONSIBILITIES

   1) The College has the right and an obligation to provide an open forum to present and debate public issues.

   2) The College has the right to prohibit individuals and groups who are not members of the College community from using its name, finances, and physical operating facilities for commercial or political activities.

   3) The College has the right to prohibit students from using its name, finances, and physical and operating facilities for commercial activities.

   4) The College has the right and obligation to provide students with the use of meeting rooms under the rules of the campus, including the use of space for political purposes such as political clubs; to prohibit the use of its rooms by
individual members or groups of members on a regular or a prolonged basis as free headquarters for political campaigns; and to prohibit the use of its name, finances, and office equipment and supplies for any political purpose at any time.

5) The College has neither the right nor the obligation to take a position in party politics and public issues, except on those issues which directly affect its autonomy, academic functions, financial support and the freedom of its members.

6) The College has the right and obligation to protect students and their visitors from physical harm, threats of harm or abuse; its property from damage and unauthorized use; and its academic and administrative processes from interruption.

7) The College has a right to require students to identify themselves by name and address. Additionally, visitors to the campus may be required to state what connection, if any, they have with the College.

8) The College has the right to set reasonable standards of conduct in order to safeguard the educational process and provide for the safety of students and protection of College property.

2. STUDENT RIGHTS AND RESPONSIBILITIES

Members of the ICC community are entitled to the following privileges:

Freedom from harassment
All members of the ICC community may pursue their educational opportunities free from harassment, including physical abuse, threats or intimidation. ICC College provides equal educational opportunities to its students without regard to race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, disability or veteran status. The College prohibits discrimination on any of these bases and will take steps necessary to remedy any instances of such discrimination.

Freedom of speech and action
Rice students may express their beliefs, feelings and opinions so long as the manner of expression does not violate another community member's rights. Specific examples of such violations include, but are not limited to, disrupting College functions and impeding access to any part of the campus and violations of the Code of Student Conduct. The College reserves the right to impose "reasonable regulations" as to the time and place for some activities and, in certain circumstances, to require written permission before they may be undertaken.
Within these limits, members of the Rice community may engage in such specific activities as demonstrating, picketing and other public expressions of beliefs, feelings or opinions, as well as other activities which are not specified here, but which are consistent with their obligations and responsibilities to their fellow community members.

Responsibilities

All members of the ICC community are subject to local, state and federal laws. Specific College rules governing student life are given elsewhere in this handbook. Additionally, members of the ICC community have the following general responsibilities:

- To refrain from deliberately violating the privileges of any other member, and to consider all actions carefully to ensure that they do not unintentionally violate others' privileges. All members of the ICC community are responsible for their own actions. Participation in a group, the influence of alcohol or drugs or "acting without thinking" does not diminish this responsibility.
- To remind others of their responsibility for their actions and to counsel and educate other members of the community whose conduct violates the privileges of others, whether deliberately or inadvertently.
- When necessary, to report to the proper authorities any non-academic conduct that violates the privileges of others. "Necessary" in this instance includes situations which are severe (such as physical assault), situations in which negotiation has failed and the violations continue, or any case in which the public discussion or law has been broken. Organizations and individuals who might be contacted in these circumstances include:
  - College officers
  - Academic Dean
  - Various other groups trained to deal with victims' rights, as appropriate

3. RIGHTS IN VIOLATION PROCEDURES

1) All students have the right to fair and equitable procedures which shall determine the validity of charges that they have violated College regulations.

2) Students have a right to expect that the procedures shall be structured to facilitate a reliable determination of the truth or falseness of the charges, provide a fundamental fairness to the parties and be effective as an instrument for the maintenance of order.
3) Students have the right to know in advance the range of sanctions for violations of College policies. The definition of adequate cause for separation from the College should be clearly formulated and made public.

4) Students charged or convicted of violations of a general law may be subject to College sanctions for the same conduct, in accordance with College policies and procedures, when the conduct is in violation of a College rule.

5) Ivy Christian College does not represent accusing faculty or staff members or students, but provides a process for fact finding and fair decision making.

6) Ivy Christian College reserves the right to hold students accountable for certain types of off-campus behavior.

7) Disciplinary action will result if a student’s behavior compromises the educational atmosphere or mission of the institution. Examples of such off-campus behavior would include, but not be limited to, crimes of violence, sexual assault and/or alcohol or drug violations, as determined by the Office of Student Affairs.

4. STUDENT RIGHT TO KNOW ACT

Students have the right to review their own academic records on file on Populi (a web-based student management program) or submit a request form to the Registrar to obtain an official record. The students can review their final grade for each quarter on Populi after two weeks from the last day of each quarter.

ICC requires written permission from the family or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
Retention of School Records

The permanent records of students at ICC shall consist of files in the Academic Office, and the Office of Student Affairs, and placement folder. All information collected on students during attendance at the college shall be retained during the time of attendance at ICC and for five years thereafter. Students’ records are located in a fire proof cabinet in the Office of Registrar, and only the Registrar has access to the cabinet. Student may examine their academic records by contacting the Registrar to make an appointment.

After five years the ICC will maintain only the following: (1) the application for admission; (2) the academic records, including a listing of courses attempted, credits, grades, quality points earned; (3) the transcripts, which will list courses attempted, credits earned, grades, and quality points, date of graduation, degree awarded; (4) the placement file; (5) the student financial account.

5. FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act of 1974 establishes the rights of students to inspect and review their education record; provides that personally identifiable information will not, with certain exceptions, be disclosed without the students’ permission; provides for guidelines for the correction of inaccurate or misleading data through informal or formal hearings; grants the right to file complaints with the Family Educational Rights and Privacy Act (FERPA) office concerning alleged failures by the institution to comply with the Act; and makes provision for notice to the students concerning their rights.

Educational records that are not governed by the Act and are not accessible to students include:

1) Records kept by ICC personnel such as faculty, advisors and administrators, which are used only by the maker or his or her substitute and are not available to any other person.

2) Law enforcement records which are kept apart from the student are other educational records and are maintained solely for law enforcement purposes. These records are made available for inspection by Public Safety personnel only when acting in the line of duty and only to law enforcement officials of the same jurisdiction. Educational records maintained by the institution may not be disclosed to the personnel of the law enforcement unit.
3) Employment records for College employees, which are kept solely for business reasons.

4) Student records made or maintained by a physician, psychiatrist, psychologist or other recognized professional or para-professional acting in his or her professional or para-professional capacity, and which are made, maintained or used only in connection with the provision of treatment to the student and are not available to anyone other than persons providing such treatment, except that such records can be personally reviewed by a physician or other appropriate professional of the student’s choice.

b. Currently enrolled students have the right to withhold the release and disclosure of any or all of these items by giving written notice on the appropriate form to that effect to the dean of enrollment services by the first day of each course or program, as the case may be, for which they enroll. Request for non-disclosure will be effective for only one academic year; therefore, authorization to withhold Directory Information must be filed annually.

6. CRIME AWARENESS AND CAMPUS SECURITY ACT

Responsibilities of the department include enforcement of college rules and regulations, village and county ordinances, and state and federal laws. Emergency call boxes are strategically located throughout campus parking lots. Locations can be identified during hours of darkness by noting the blue lights on parking lot light standards. The call boxes are immediately below these blue lights. Pushing the red emergency button puts you in direct contact with the Public Safety dispatcher.

For emergencies, contact Public Safety at (703) 378-7497. For parking permits or non-emergency information call (703) 425-4144. Cellular telephone use (703) 819-0333

2. ACADEMIC EVALUATION

Students are evaluated at the end of each term, based on the grades received by the deadline noted on the grade sheets. The rules for determining whether a student is in good academic standing are printed in the College catalog.

Review Committees Listings of ICC are generated by the Student Administrative Services Office to show which students are to receive warning letters, to be continued on, placed on, or removed from probation according to the rules governing academic evaluation.

The Ivy Christian College has a committee that reviews these cases, arranges for interviews with students when appropriate, considers petitions for readmission of students who have been dropped, and recommends appropriate action.

3. ACADEMIC STANDING (SAP)

Satisfactory Academic Progress (SAP) ensures that students are progressing through their program of study both academically and in a timely manner. In order to be considered to be making satisfactory progress toward a degree or certificate, a student must both maintain specified cumulative grade point averages and a specified completion rate. To determine satisfactory progress, a student’s cumulative grade point average and completion rate will be evaluated at the end of every quarter after grades are posted, approximately 14 days after the end of the quarter. The maximum time frame that a student is allowed to complete a program is 1.5 times the program length.

The minimum cumulative grade point average (CGPA) and completion rate required based on program and quarter progression is as follows:

<table>

<td>80%</td>

</tr>
</tbody>
</table>

* ESL courses are offered on a Pass/Fail basis.

Students are expected to complete the requirements for their program in the scheduled time frame, but in no case may the credits attempted exceed 1.5 times the credits required to complete the program.

Satisfactory Academic Progress Warning

At the end of each quarter, if the student has not earned the minimum CGPA and/or has earned less than the minimum percentage of cumulative credit hours completed that were attempted as described in the chart above (required to complete the program within 150% of the program length), he or she will be notified and placed on Academic Warning for the remainder of the current quarter (i.e. if you are placed on academic warning for your first quarter’s performance, five days after the quarter ends you will be placed on warning for the next quarter, quarter two). If a student fails to achieve satisfactory progress by the end of the quarter in which they are on Academic Warning, the student will be notified and placed on Academic Probation. If the student regains SAP by the end of the quarter, they will be notified and removed from Academic Warning. If the students while on probation fail to regains SAP during the time they were given, they will be withdrawn from the program(unless the student files and is granted an appeal as defined below).
**Satisfactory Academic Progress Appeals, Probation, and Academic Plans**

At the end of the probationary quarter, the student's progress will be evaluated based upon the academic plan. If the student is meeting the SAP standards, or he or she has met all of the terms of the academic plan, the student will be eligible to remain in school. In all subsequent quarters the student must again meet the SAP standards or the terms of the academic plan.

If the student fails to meet the terms of the academic plan at the end of the probationary quarter (a maximum of 3 quarters), the student will be terminated. Appeals in this situation will only be granted at the discretion of the Academic Dean, and based upon very exceptional circumstances. These might include the death of a relative, an illness of or injury to the student or other extraordinary situations. The student’s appeal must be received within 10 days from the notice was written to be eligible to continue in the quarter.

The appeal must contain, 1) an explanation of why the student failed to meet the SAP standards; and 2) a description of what has changed in the student's situation that will enable him or her to again meet the satisfactory progress standards. Supporting documentation should be submitted if possible.

The Academic Dean will review the information submitted in the context of the student's entire academic record, and notify the student of his or her decision within 24 hours. This decision is final. If the appeal is granted, then the student will be placed on a second probation for the quarter, and the Academic Dean’s notice to the student will outline the requirements of the academic plan the student must follow. The terms of the academic plan must ensure the student will be able to complete the program within the maximum timeframe (1.5 times the program length) and with the required CGPA for graduation.

**Procedure for re-establishing Satisfactory Academic Progress**

A student who is placed on Academic Warning and re-establishes SAP at the end of the Academic Warning period will be notified and removed from Academic Warning.

A student who is placed on Probation and re-establishes SAP at the end of the Probation period will be notified and removed from Probation.

AU (Audit) - Generally given to audit-status students. No credit is given.

P(Pass): In some courses, a “P” will indicate a satisfactory completion of that course. Numerical equivalents are not being assigned to “Pass/Fail” courses.

I (Incomplete) - An Incomplete grade may be issued by a faculty member in lieu of a final grade when course requirements have not been met by the end of the team. An Incomplete Grade
Contract must be completed by the faculty member and signed by the student. Request for an “I” must be made prior to the due date of the work required. The student is responsible for removing an “I” from his record. This work must be completed within six weeks of the end of the term in which the “I” is received. Failure to meet this deadline will automatically result in an “F” for the course.

**Withdrawal (W)** - A student desiring to withdraw from the A.D program at any time should report that fact in writing to the Academic Dean, so that his records may be completed, and his transcript released. Failure to complete the proper withdrawal form will result in the non-release of the transcript.

**Examination** - All examinations must be taken at the time scheduled. Exceptions to this rule may be granted by the professor with the approval of the Academic Dean. Requests for such an exception must be submitted in writing prior to the set time.

**Add** - During the pre-enrollment period through the end of the second week of classes for the term, all students, with the exception of 1st term freshmen, may add courses that are free from restrictions/permissions, at the admission office. Instructor or academic unit approval is conditional on class size limitations. Regardless of when a student adds a course, the student is responsible for meeting all course requirements as mandated by the specific course syllabus.

**Drop** - Please note that “dropping” a course and “withdrawing” from a course are distinct actions and are governed by different policies. For undergraduate students, courses may only be dropped during the “drop period” lasting from the beginning of the enrollment period through the end of the second week of the term. Dropping a course results in the course being removed from the student’s academic record without a “W” appearing on the transcript, specifically, neither the course nor the grade of “W” appears on the student’s transcript. Freshmen and new first-term transfer students must meet with their academic advisors to drop courses during the first term.

Academic advisors provide students with information on academic requirements needed for degree completion, help students plan for future graduate study or a career, and serve as a research person. Academic advising is a shared responsibility between the student and the advisor.

- **Provide information on academic requirements needed for graduation.** Advisors assist students in developing an academic and career plan, monitor students in the major, and discuss how a course of study fits a particular academic or career interest. Advisors answer questions concerning a specific academic concern, such as problems with a particular class, and guide students through the registration process, including providing information on various registration blocks and what needs to be done to remove them.

- **Help students plan for future graduate study or career.** Advisors discuss how an academic major can prepare a student for his/her career, and what career options are available.

STUDENT LIFE
1. CHAPEL AND PRAYER

Acts and thoughts that ascribe “worship” or worthiness to divine. “The chief end of man is to glorify God and to enjoy Him forever” (Westminster Shorter Catechism). The roots of worship are knowledge, emotions and will. Worship is not a mystical experience; it is at best a spiritual experience. Christianity is concerned not only with the end, but also with the means to an end. In the worship service, we first serve Triune God and offer praise to Him. Worship not only serves God, but it also meets the needs of those who worship.

The Ivy Christian College provides meaningful worship service for students every Friday. Chapel services feature worship services as well as messages by members of the ICC’s faculty and other outstanding Christian leaders. Chapel attendance is required.

Students and faculty come together for a day of prayer once each quarter. A worshipful communion service climaxes this spiritual highlight.

2. DAY OF EVANGELISM

Periodically a day of evangelism is planned during which students gather in small groups to share the gospel in surrounding communities. In the Scripture it is an act of worship which covers all soul in its approach to God. Supplication is at the heart of it, for prayer always springs out of a sense of need and a belief that God is a rewarded of them that diligently seek Him (Heb 11:6).

It will be seen that as an order in the ministry, the evangelist precedes that of the pastor and teacher, a fact which harmonizes with the character of the work each is still recognized as doing. The evangelist has no fixed place of residence, but moves about in different localities, preaching the gospel to those ignorant of it before. As these are converted and united to Jesus Christ by faith, the work of the pastor and teacher begins, to instruct them further in the things of Christ and build them up in the faith. At a later time, the name of “evangelist” was given the writers of the four Gospels because they tell the story of the gospel and because the effect of their promulgation at the beginning was very much like the work of the preaching evangelist.

STUDENT AFFAIRS COMMITTEE hosts numerous prayer meetings, discussion groups led by mission leaders, and chapels to keep the student body aware of spiritual needs around the world and to urge students to consider missionary service. The fellowship particularly encourages students to participate in a Missionary Summer and Winter Internship.

Advanced students may find openings in Christian education, church music, and sometimes a pastorate.

6. HEALTH SERVICES

Ivy Christian College recognizes the need and obligation to provide first-aid treatment to students and staff who become ill or are injured while attending class or performing their job functions. However, referral of individuals for first-aid treatment should be limited to those circumstances that actually require first aid. Health related circumstances not requiring first aid should be handled through other procedures.

Injuries should be referred to the ICC Office. For all other non-emergency type health situations, the main office should be contacted for referral to the parent or guardian. If a student is under doctor’s care and must take prescription drugs or treatments, this must be identified at the office of the Director of Full-Time Programs, where confirmation and a plan for administration can be
developed with the individual student. There may be times when a student needs emergency medical treatment while at school or away from school while on a school trip.

The parent or custodian of a minor must authorize in writing the person having the care of a minor and authority to consent to emergency medical treatment and hospital care for the minor. Such written authorization must be dated and signed. In the event that there is no written authorization and parents cannot be located, a school official may consent to emergency medical treatment for a minor needing treatment because of an accident and/or illness. Student medical information will be kept in the office of the Director of Full-Time Programs.

STUDENT AFFAIRS AND STUDENT AFFAIRS COMMITTEE

STUDENT AFFAIRS

The purpose of the Office of Student Affairs shall be to facilitate interactions between the student body and the institution and to serve as a clearing house for student problems and activities.

STUDENT AFFAIRS COMMITTEE

This committee evaluates the student life and service. The committee is responsible for the administrative oversight of the student personnel life, student government, non-academic advising, and student health service.

This committee is in charge of:

1) Make recommendations to the faculty regarding orientation, graduation extracurricular student activities and discipline.

2) Evaluate the student’s policies of the College regarding non-academic areas.

3) Receive applications for institutional scholarships and award the scholarships in accordance with established criteria

THE STUDENT BODY OF ICC

The student body of ICC is all currently enrolled students.

1) Multicultural Student Services - Assists the College in its continuing goal of promoting diversity at all levels on campus. It offers various programs and support services, such as leadership development, recruitment and retention, cultural programming and awareness, and student support. It serves the multi-ethnic population by increasing awareness, accepting difference, and celebrating diversity.

2) Allocation and Disbursement of Student Fees - Every fall quarter, the SGA finance committee holds hearings for organizations that want to receive front-end budgeting. A portion of student fees is set aside, making up the fund from which these organizations receive their funding.

THE STUDENT GOVERNMENT COUNCIL (SGC)
Comprised of students elected annually by the general student body, the Student Government Council promotes students’ interests and conducts activities which directly relate to student life. For example, the Student Government Council nominates students to serve on various faculty/student committees, presents the needs and desires of students to the seminary, and organizes social events for fellowship during the school year.

STUDENT COMPLAINT PROCEDURES

1) The law provides students with the right to inspect and review information contained in their education record; to a response to reasonable requests for explanations and interpretations of the record; to challenge the contents of their education record; to have a hearing if the outcome of the challenge is unsatisfactory; and to submit explanatory statements for inclusion in their files if they feel the decision of the hearing officer is unacceptable.

2) The Academic Dean has been assigned by the College to coordinate the inspection and review procedures for student education records, which include admissions, personal, academic, and financial files, and academic cooperative education, disclosure and placement records. Students wishing to review their education records must make written request to the official responsible for the records listing the item or items of interest.

3) Records covered by the Act will be made available within forty-five days of the request. Students may have copies made of their records with certain exceptions (e.g., a copy of the academic record for which a financial ‘hold’ exists, or a transcript of an original or source document which exists elsewhere). Education records do not include records of instructional, administrative and educational personnel which are the sole possession of the maker and are not accessible or revealed to any individual except a temporary substitute, records of the law enforcement unit, student health records, employment records or alumni records. Health records, however, may be reviewed by physicians of the students’ choosing.

4) Students may not inspect and review the following: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; educational records containing information about more than one student, in which case the institution will
permit access ONLY to that part of the record which pertains to the inquiring student; and confidential letters and recommendations placed in their files prior to January 1, 1975, providing those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

5) Procedures to Amend Records and Request Hearings - Students who believe that their education records contain information that is inaccurate or misleading, or is otherwise in violation of their privacy or other rights, may discuss their problems informally at a meeting with the author of the record and the Academic Dean. If the decisions are in agreement with the student’s request, the appropriate records will be amended. If not, the students will be notified within a reasonable period of time that the records will not be amended, and they will be informed by the Academic Dean of their right to a formal hearing. Students’ requests for a formal hearing must be made in writing to the Academic Dean who, within a reasonable period of time after receiving such requests, will inform students of the date, place and time of the hearing.

Students may present evidence relevant to the issues raised and may be assisted or presented at the hearings by one or more persons of their choice, including attorneys, at the students’ expense. The hearing officers who will adjudicate such challenges will be designated by the President of the College.

Decisions of the hearing officer will be final; will be based solely on the evidence presented at the hearing, will consist of written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered to all parties concerned. The education records will be corrected or amended in accordance with the decisions of the hearing officer, if the decisions are in favor of the students. If the decisions are unsatisfactory to the students, the students may place with the education records statements commenting on the information in the records, or statements setting forth any reason for disagreeing with the decisions of the hearing officer. The statements will be placed in the education records, maintained as part of the students’ records, and released whenever the records in question are disclosed.

Students who believe that their rights have been abridged may file complaints with the Family Educational Rights and Privacy Act office (FERPA), Department of Health, Education, and Welfare, Washington D.C. 20201, concerning alleged failures of the ICC to comply with the Act.
STUDENT GRIEVANCE PROCEDURE

Any student may file a complaint about any issue, question, problem or anything else which they reasonably believe impedes their academic studies or which they find objectively questionable about any instructor, staff member or administrator, either orally or in writing, to any Ivy Christian College administrator. Any such administrator will then transmit the concern in writing to the Student Affairs Director who also serves as the Compliance Designee. The Compliance Designee will then review the matter, and if more information is required before attempting to unilaterally recommend a resolution of the matter, the Compliance Designee will investigate the matter thoroughly, including interviewing all individuals, the reporting student, and reviewing all documents that relate or may potentially relate to the matter in question. Once the Compliance Designee has concluded his/her investigation, the Compliance Designee will report the matter to the Executive Office (The President and the Academic Dean) along with a recommendation for resolution.

If the Executive Office concurs with the Compliance Designee's recommendation, then the matter will be accordingly disposed of. If not, then further discussion will be held until a majority of the Executive Office agrees on a particular resolution of the matter.

Depending on the parties involved, the nature and seriousness of the issues concerned, and any other factors which must be taken into account in order to properly resolve the matter, a wide variety of actions or inactions may be taken. In the event the reporting student, or others involved, is displeased with the manner for disposition arrived at by the Executive Office, they may petition any member of the Executive Office to request that the matter be re-opened and reviewed as though it had been first reported to the entire Executive Office. If no member of the Executive Office will make such a request, then the matter shall stand as originally disposed of.

Once the matter is final, written notice of the Executive Office's decision will be transmitted within a reasonable time not to exceed thirty (30) days to the reporting student and any other appropriate parties. The matter shall, however, remain a private one and no publication of the matter shall be made, even with the consent of all non-ICC parties involved, unless not doing so, would constitute a serious breach of justice. Should the reporting student, or any other affected party remain displeased with the outcome of the matter, an appeal may always be made to the:
(Students will not be subject to unfair treatment by the school as a result of initiating a complaint and the student may contact SCHEV about the school as a last resort.)

INFORMATION EXCHANGE PRIVACY AND SAFETY POLICY

ICC is committed to protecting student confidentiality and privacy for students enrolled in all courses regardless of the mode of instruction (on-line, hybrid, classroom). All of the University policies regarding student privacy and information security apply to distance education courses. We verify the identities of online students by verifying their students’ user IDs and passwords. All staff teaching distance education courses are expected to uphold these polices and follow these procedures, including:

- Teach distance education courses using the University's learning management system, in order to ensure security of student work and grades.
IVY CHRISTIAN COLLEGE

Student Handbook

- Use the school's email system for all official, confidential communication such as providing feedback on student work, releasing grade information to students, etc.
- Keep student work, scores or grades confidential. Students in the course should not have access to other students’ work or grades.
- Inform students not to share your login information with anyone, give anyone unauthorized access to the Learning Management System.
- Follow the University’s guidelines for sharing student educational record information with other faculty, staff, parents or others outside the University.

FERPA

Our school’s procedures and the Family Educational Rights and Privacy Act (FERPA) prohibit the unauthorized release of confidential information about individual students. However, directory information is not considered to be confidential and may be published or otherwise released. Directory information includes: name; addresses, including permanent, campus, local (off-campus), email, and campus computer network (IP) address; net ID; associated telephone numbers; date and place of birth; school or college; major and/or minor fields of study; degree sought; expected date of completion of degree requirements and graduation; degrees conferred (including dates of conferral); awards and honors (e.g., dean's list); full- or part-time enrollment status; dates of attendance; previous institutions attended; participation in officially recognized activities and sports; weight and height of members of an athletic team; and photographic or videotaped images of the student. Students may opt to have their directory information withheld. To exercise this option, the appropriate form must be obtained from the Office of the Registrar, completed, and returned to that office.

Rights with Respect to Education Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. **Access to Education Records:** Students have the right to inspect and review their education records within 45 days of the day the College receives a written request for access. Students should submit their request to the Office of the Registrar and specify the record(s) they wish to inspect. Arrangements will be made for access and the student notified of the time and place where the records may be inspected.

2. **Request for Amendment of Education Records:** Students have the right to request amendment of their education records if they believe the records are inaccurate. They should write the Registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the College decides not to amend the record as requested by the student, the College will notify the
student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.

3. **Disclosure of Education Records**: Students have the right to consent to disclosures of personally identifiable information contained in education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including your Social Security Number, grades, or other private information—may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to students’ records and PII without students consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to students’ education records and PII without students consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without students’consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about students that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

Upon request, the College discloses records without consent to officials of another school in which a student seeks or intends to enroll.

**Right to File a Complaint**: Students have the right to file a complaint with the U.S. Department
of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave., SW
